COVID-19 Updates (January 2022)

All Volunteers MUST:
- Provide proof-of-vaccination
- Sign-in before each shift, document body temperature, and satisfactorily answer a series of health-related questions

ONSITE DINING. We hope to resume onsite dining in 2022. While we are fortunate to be able to provide to-go meals and groceries during the pandemic, we’re looking forward to going back to offering our guests a warm and friendly place to sit, eat, and socialize.

VOLUNTEERING. St. Anthony’s Padua Dining Room exists because of our volunteers. We continue to maintain a small staff, but rely on volunteers to help us carry out our mission. Since April 2020 when we shifted to a to-go only format, we limited volunteers to a smaller number of regulars, as we have less tasks (as compared to onsite dining), as well as social distancing considerations. Once we resume onsite dining, we will welcome back volunteers, both individuals and groups.

DONATIONS OF FOOD AND CLOTHING. We are accepting donations of bulk food supplies for cooking or to stock the grocery bags that we give to our guests. Cooked food can only be accepted from commercial kitchens. Donations to our produce account at Sigona’s is an alternative (Sigona’s Farmer’s Market, Attn: St. Anthony’s Padua Dining Room Account, 2345 Middlefield Road, Redwood City, CA 94063. Ph. 650.368.6992).

Please call if you have clothing or other non-food items to donate. We are currently limiting the amount of donations.
