

Modular tooling specializing in pressroom and bodyshop applications

Flexible erector style end of arm tooling

Performance engineered vacuum products. Vacuum lifters and crane systems

Industrial conveyors

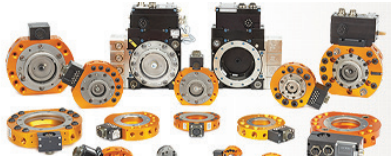

Vacuum components and systems

Automation and accessory products for plastics, injection molding and assembly

Engineered products for robotic productivity  
Tool Changers

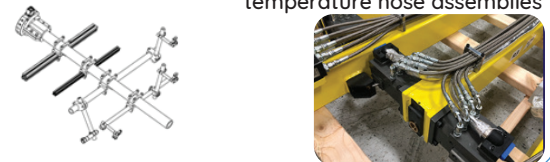

Conveyors and automation systems

Pneumatic fittings, tubing, and accessories

Custom engineered EOAT solutions and high temperature hose assemblies

Mesh and polycarbonate safety panels

High performance industrial roll up doors

## Headquarters

8063 Main St, Suite #4 Dexter  
Mi, 48130  
Sales: 734-757-8015
