

# Implementing global best-practice teaching with Horry County Schools, SC, USA

## Scope

80 Horry County Public Schools

## Objective

Supporting teachers to use global best-practice teaching strategies that improve academic engagement and learning.

## Implementation

Teachers were trained in using TrueNorth to deliver lessons that include best-practice teaching strategies.

## Outcomes

An evaluation after the first 12 months showed:

“

Using TrueNorth to support best-practice teaching has helped teachers to take students from surface knowledge of a subject to deeper levels of understanding in just one 60 minute period.”
