Menace

Menace is an Independent Australian Rapper & Songwriter hailing from Western Sydney. His powerful delivery, unforgiving flow & intelligent word play come together to make him stand out amongst the Australian scene.

Growing up listening to Cypress Hill, Ice Cube and Tupac, Menace found it fascinating that such artists could tell such real stories through their music. It was Eminem that inspired him to pick up a notepad himself and tell the stories he has lived.

With millions of streams across all platforms, Menace is undoubtedly one of the Australia's biggest underground artists with the work ethic and numbers to prove it.
