

fiverr empower.

salesforce

You want to *sell*.
***Salesforce* wants you.**

In a sales-driven world, Salesforce is the go-to for connecting companies to the right customers. Now, we've teamed up to outsource their onboarding by creating one powerful course that provides professionals with disabilities the unique opportunity to become **Certified Salesforce Admins**.

Become a Certified Admin

*Learn directly from
Salesforce's best mentors*

First access to our (free!) course

Fiverr Empower members get the first shot at a unique opportunity to become certified Salesforce administrators.

Tap into trending demand

Become an expert in this domain and watch business come to you. As more and more companies opt to use Salesforce, Salesforce needs more and more trusted admins for smooth transitions.

Exclusive training & mentorship

Get trained by experts from Fiverr, Salesforce, and major Salesforce clients (like Microsoft), so that your success is guaranteed by the best guides around.

Guarantee your first Gig

*Jump-start your career with a
guided Fiverr integration*

Support & Guidance

From setting up your Gig successfully to navigating your first Salesforce order, Fiverr is there every step of the way to ensure you learn how to market your service, communicate with your buyers, and maximize your professional potential.

Built-in Community

From Fiverr AND Salesforce mentored guidance to a shared Seller forum for sharing experiences, Fiverr Empower offers a built-in community every step of the way.

Accelerated Growth

Fiverr Empower members are given business boosts on the platform like Rising Star Badges, prime marketplace visibility, and more – all to help jumpstart your growth and secure your first orders.

Enhance your freelance skills, empower your future growth.
