

OFS Harpin

Category

Seating

Subcategory

Guest/Side

Chairs are personal. We allow them into our spaces and rely on them daily for support. Often, chairs can even be a reflection of our personalities. Harpin embraces the things that we all share as people while celebrating what makes us each unique. Harpin's simple form and structure provides a unified aesthetic and proven ergonomic support, while still providing an opportunity for personal expression through different options for texture, colors, and arms.
