DAY CAMP

About Us

We exist to ignite sparks in this generation now and beyond.

Crowders Camps has two core beliefs:

- 1 The camp environment fosters personal growth in unique ways
- 2 Every child deserves the opportunity to experience this through a week of camp

For these reasons, our mission is to provide an accessible camp experience that fosters growth mentally, socially, emotionally, and spiritually. We do this by creating spaces for discipleship, moments of worship, and activities that break down barriers.

Crowders Camps serves a wide variety of faith-based and non-faith based organizations and is respectful of the wide variety of beliefs represented here at camp throughout the year. As a camp, we believe and hold to the Southern Baptist statement of faith.

A word from our Executive Director

Dear Parent,

We are honored to be a part of your kid's life. Thanks for allowing us to spend a week of camp with your student. We believe a week of camp creates landmark moments and will ignite a spark for life change in every camper.

The focus at Crowders Camps is all about making sure your kid hears the Gospel in a way they can understand it, from people they trust. Our staff and leaders will spend the week helping the students at camp understand that God has a redemptive plan for us and desires a relationship with us.

We believe that your influence in the spiritual growth of your student is very important, so in this packet, we've equipped you with all the details to make sure your student's experience at camp is great. My hope is that this information can launch meaningful spiritual conversations with your student about what they have learned.

Fired UP,
Jay Oliver
Founder/Executive Director

Forms & Allergies

Before arriving at camp, please go to crowderscamps.com/daycamp to fill out your camper's summer forms. This online registration must be completed for your camper to attend.

If your camper has a food allergy, please provide all requested details so we can properly assist. We must have dietary information at least 2 weeks in advance to be able to accommodate. You will also have the option to sign up for a gluten free or vegetarian meal plan for your camper for a small additional charge (\$15 for the entire camp week, used for additional food purchases and preparation). Our kitchen is a peanut and tree-nut free facility.

If we have any questions about your camper's dietary needs, we will contact you at the email address you provided. If you have any dietary questions for us, please contact brittany@crowderscamps.com.

Covid-19

Here at Crowders Camps, we have a commitment to the health of our campers, leaders, staff, and volunteers. To see our COVID-19 policies, go to crowderscamps.com/commitment-to-health. Summer policies may not be uploaded until May, and are subject to change as CDC and state recommendations change frequently.

We have a fourfold approach to keeping your camper healthy this year!

- Parents - do not allow campers to attend if they have been recently exposed to COVID, have symptoms, or have recently tested positive. Check camper temperatures before travelling to camp.
- Campers - wear masks when indoors, and wash hands frequently!
- Crowders - frequently sanitize all common touchpoints and arrange activities that allow physical distancing as much as possible.

We are doing everything in our power for a healthy 2022, however, the risk of contracting COVID cannot be eliminated entirely in the camp atmosphere. You do assume the risk of COVID in sending your child to camp.
