

JOIN OUR COMMUNITY AND APPLY FOR COACHING

Graduate Entrepreneur is an initiative of TU Delft, Erasmus University Rotterdam, Erasmus MC and a group of well-established, successful alumni and is ran by students. It unites the startup ecosystem: connecting all existing organizations in Delft & Rotterdam.

WHAT?

We want to help you as a young entrepreneur to get your startup to the next level! We have a network of coaches that is experienced in various business processes and is highly motivated to help startups grow.

FOR WHO?

Startups that have joined our community, of which at least one of the (co-)founders studies/is in school in Rotterdam or Delft or has graduated in one of these cities within the past 7 years.

HOW?

Fill out the form on our website in which you are also asked to precisely define the current challenges/problems your startup faces. Next, we are going to match you to a coach who we think is best suited to help you. Given that there is a match, you are going to meet with your coach accordingly to the availability and desires of the coach and you as a founder.
