

Jasmyn Fall

UX Designer

Experience

January 2021 - April 2021
Denton, TX

EventPop- UX Designer/Researcher

I obtained qualitative and quantitative user data through interviews and surveys. I conducted usability research by testing designs using high and low fidelity prototypes. I also designed the visual experience of the application.

August 2019 - May 2020
Denton, TX

Eagle Images- Designer

I managed project schedules to guarantee client and in-house creative and design needs were met on time and within budget.

I also worked closely with team members to deliver project requirements and develop design and printing solutions.

Education

University of North Texas
August 2017 - April 2021

BFA in Communication Design with a Concentration in User-Experience Design

Minor in Art History
2020 Dean's List Honoree
