I understand that telemedicine is the use of electronic information and communication technologies by a healthcare provider to deliver services to an individual when he/she is located at a different site than the provider; and hereby consent to the providers of Mountain View Natural Medicine providing health care services to me via telemedicine. I understand that the laws that protect privacy and the confidentiality of medical information also apply to telemedicine. As always, your insurance carrier will have access to your medical records for quality review/audit. I understand that I will be responsible for any copayments or co-insurances that apply to my telemedicine visit. I understand that I have the right to withhold or withdraw my consent to the use of telemedicine in the course of my care at any time, without affecting my right to future care or treatment. I may revoke my consent orally or in writing at any time by contacting Mountain View Natural Medicine at 802-860-3366. As long as this consent is in force (has not been revoked) the providers of Mountain View Natural Medicine may provide health care services to me via telemedicine without the need for me to sign another consent form. Your doctor will obtain your verbal consent to these policies at the start of your visit. You do not need to print or sign this document.
