

## Free Online Help for Removing Criminal and Eviction Records

LIFT Wisconsin's Legal Tune Up helps address civil legal problems from a smartphone or computer at [www.legaltuneup.org](http://www.legaltuneup.org)

### The Importance of Accurate Records

Landlords and employers can search public records in approving renters or in hiring people. Removing these records can increase the opportunities to get a new job or housing.

The Legal Tune Up can search CCAP to identify and remove eligible criminal and eviction records.

### The Legal Tune Up tool:

- Provides user-friendly digital access to a Legal Tune Up and self-help tools
- Accesses public data to assist users with resolving civil legal issues
- Guides users step-by-step through the simplified online process
- Auto-fills legal forms for court filings with the appropriate city, municipality, or county
