About Loon Echo Land Trust (LELT)

LELT is an accredited, non-profit land trust. The organization was formed in 1987 to protect the land and natural resources of the northern Sebago Lake region of Maine. Today, LELT protects over 8,500 acres of land and manages over 32 miles of trails in Bridgton, Casco, Denmark, Harrison, Naples, Raymond, and Sebago.

About Tiger Hill Community Forest

In 2019, LELT and the Trust for Public Land worked to purchase and protect over 1,400 acres of forestland in the town of Sebago in 2019. The land, now conserved, is called the Tiger Hill Community Forest (THCF); owned by LELT for the benefit of the community. In early 2021, LELT purchased an additional 22 acres of forest and wetlands to expand the forest.

All are welcome to enjoy Tiger Hill Community Forest today, tomorrow & for generations to come.

The Trails

Currently woods roads provide access to the forest and two hand-carry boat launches provide access to the Northwest River. LELT has several trail projects in the works, and will be seeking volunteer support to help build more trails on the property in the coming months & years.
