welcome from the

Brent Equity and Inclusion Group (formerly the DWG)

Our mission
The Brent Equity & Inclusion Group (formerly the Diversity Working Group) advances Brent’s commitment to cultivating an equitable and inclusive community where everyone feels a strong sense of belonging. We hold regular discussions on race, equity, social justice, class, gender, disability, and inclusion. We also contribute to Community Meetings, bringing these discussions to all Brent caregivers.

Who we are
We are an open group of caregivers, teachers, staff, and school leaders of all races, identities, and backgrounds. New participants, voices, and ideas are always welcome! We believe that all students and families should feel affirmed and loved for who they are. We are committed to building an anti-racist school community.

Meetings
We meet monthly, usually on the third Wednesday. For the 2022-23 school year, we are building a calendar of sessions that will cover topics including race, gender, and disability, among others. We plan to rotate meeting times and do a mix of in-person and virtual. Facilitators usually share suggested/optional readings, videos, or podcasts before discussions. Look for the full calendar of meetings at the beginning of the school year in the TuesNews email.

What we do
Our priorities for the coming year are:
● Collaborate with partners at Kindred Communities to build dialogue groups for caregivers and school staff on educational equity and racial justice
● Facilitate conversations around race, gender, sexuality, ability/ableism, and identity in regular monthly sessions and Community Meetings.

Learn more
Look out for info on the forthcoming calendar and meeting information in TuesNews. We also share additional information and resources on the Equity & Inclusion Google Group. To join, visit: https://groups.google.com/g/BrentDiversityWG
