Dear Mrs. O'Donnell,

We wanted to thank you for serving as a speaker for the National Forum held in Kyiv on March 1 2018 and dedicated to Public Dialogue and Participation. When planning an event such as this, it is imperative to gain the participation of experts in the field. Your willingness to share your time and expertise in the area of citizens' participation in Great Britain was critical to the success of this event.

We were fortunate to have a wide range of speakers from all arenas - non-profits, business, state agencies, higher education, and others. It is our collective efforts that will bring us closer to raising the level of people's participation in decision-making process.

Thank you again for your contribution to the agenda, the presentation and materials you shared during the Forum. It was very interesting to hear about the experience of Great Britain in public dialogue as well as to look into practical cases.

We hope for further cooperation!

Sincerely,

Olga Aivazovska, Head of the Board
