CONSERVATION SUCCESS

BENDER MELON FARM  195 acres

After securing more than 1 million dollars in less than two years, our largest fundraising campaign ever, this historic property at the corner of routes 85 and 85A is now permanently protected. Among the many donors who have impacted this project, we would like to recognize the family of the late Matthew Bender IV, for their generous support. The Bender family issued a $50,000 matching challenge that played a critical role in reaching our fundraising goal. MHLC is actively working with planners and experts in a variety of fields to identify the immediate needs for the property and plan the future of this wonderful community asset.

BENDER MELON FARM
PICARD’S GROVE  98 acres

The Picard Grove property, located at the base of the Helderberg Escarpment, was in the process of being sold for development. Concerned neighbors reached out to MHLC for help. MHLC staff members worked furiously to convince the court that conserving this acreage was the best outcome for property owner Jeanne Picard Fish, the community, and the land. On October 9, MHLC oversaw the sale of Picard’s Grove to local neighbors Richard and Valerie Glover. In conjunction with the property sale, neighbors and Picard relatives provided MHLC with the support needed to purchase a conservation easement over Picard’s Grove. This iconic landscape is now protected forever.
MHLC purchased a five-acre parcel along Wolf Hollow Road in the Town of Glenville, Schenectady County. Wolf Hollow is a location with a rich history and unique geology. In 1669 Mohawk Indians fought a group of Algonquins in a multiday battle at the site that is recognized by historical markers on the location. Hoffman’s fault runs through the Hollow, which is one of the best locations to observe this geologic feature. MHLC is working with Schenectady County and other partners to open the location to pedestrian use so that the public can enjoy the unique landscape.
NOONAN PROPERTY
Albany, New York
4 acres

The Noonan family of Albany donated a beautiful four-acre parcel along the Albany County Helderberg–Hudson Rail Trail and overlooking the Normans Kill to MHLC. The property is located just above the dramatic waterfalls on the Normans Kill, not far from the confluence with the Hudson River. This location was once an important Native American and Dutch trading route.
HOLLYHOCK HOLLOW SANCTUARY
Selkirk, New York
138 acres

In January 2020, ownership of Hollyhock Hollow Sanctuary was transferred to the Mohawk Hudson Land Conservancy. Staff and volunteers worked to improve the existing trails and facilities throughout the spring, and in May the Sanctuary was officially opened to the public as MHLC’s 19th preserve.

Hollyhock Hollow Sanctuary features 3.5-miles of trails weaving through the serene deciduous forest and around the distinctive geological features carved out by the Onesquethaw Creek.
Welcome to Hollyhock Hollow Sanctuary

Listen to the audio clip from Marilyn Fancher, MHLC Volunteer.
To share their enjoyment of the natural world, the Touhey family worked with the Mohawk Hudson Land Conservancy to open this 49-acre property to the public. The official opening of our 20th preserve was announced in October 2020 at MHLC’s virtual fall fundraiser, Sowing Seeds.

The preserve features a wonderfully diverse habitat of woodlands, wetlands, open fields, and a small pond. Lookout points from the eastern side of the preserve offer scenic views of the Phillipin Kill Valley and the neighboring Phillipin Kill Preserve.
Welcome to the Touhey Family Preserve

Sowing Seeds Fundraiser

*Sowing Seeds* was a first of its kind special event for Mohawk Hudson Land Conservancy. It was an evening filled with culinary delights, a virtual visit through our preserves, and our sincere expressions of gratitude to all participants. We took time to add special thanks to the Touhey Family for adding the Touhey Family Preserve to our beautiful and serene complex of trails. All told, *Sowing Seeds* was a landmark event for our community, raising more than $62,000! This was outstanding and exceeded all of our expectations. We could not have achieved that without the generosity of our community.
