NATIONAL EMERGENCY PLAN

In the event of an EMERGENCY, children will be secured on site unless instructed to evacuate by law enforcement. The children will shelter in place in the assigned areas, only released to parent/guardian or other parent designee until the emergency order has been lifted. The designee may be an adult who is a frequent visitor to the center or a parent of another child in care at Country Grove Children's Center. Please note that should the emergency continue beyond normal operating hours the center will be closed.

In the event of an EVACUATION by authorities, each class will bring their attendance binder and evacuation bag. Each evacuation bag is stocked with age-appropriate food and supplies. Staff will contact families via blue card information. The children may only be released to a parent or authorized designee as stated below.

Please indicate below the authorized adult to whom we may release your child in a national emergency.
