GPS Capital Markets to Exhibit at AFP Annual Conference in Washington DC

SALT LAKE CITY, Oct. 19, 2021 (GLOBE NEWSWIRE) -- GPS Capital Markets, Inc. (www.gpsfx.com), a leading Fintech firm offering foreign exchange services, will be exhibiting at the Association for Financial Professionals (AFP) Annual Conference in Washington DC, November 7th-10th.

The AFP Annual Conference is the largest networking event for corporate finance professionals in the world. The AFP Conference regularly sees several thousand treasury and finance professionals in attendance. Financial professionals meet to network, learn of new products, attend continuing education classes and to have the opportunity to hear world-renowned business speakers.

GPS Capital Markets' Head of Sales, Michael Barnett said, "GPS is excited to be back again for an in-person conference. We are excited to see our friends and colleagues that we have been missing. AFP is an excellent opportunity for us to learn more about what has been happening in the industry and connect with our clients to discuss current best practices."

GPS has attended and exhibited at the AFP Annual Conference for over a decade. Many of GPS' clients came from connecting at the Annual Conference. It is a great platform for GPS to demonstrate its product suite and for its consultants to educate corporations on foreign exchange strategies that will benefit them.
