

CREW GUIDE: THE BREAD OF LIFE

JON NORMAN 3/26/23

JOHN 6:35

Then Jesus declared, "I am the bread of life. He who comes to me will never go hungry, and he who believes in me will never be thirsty."

> MESSAGE RECAP

As the true bread of life, Jesus satisfies the deeper hunger of our lives, which is spiritual. This desire in us is a testimony to the existence of God.

BREAD IN THE EARLY CHURCH
main course, not a side dish.

JESUS IS THE BREAD OF LIFE
make him the main course

> BREAD IS THE CENTERPIECE

So many things will try to take the place of Jesus as the center and push him to the side. Our employment, entertainment, and worries of life can become the center piece. We may even try to do ministry on the basis of our talents rather than Jesus being center.

KEEP JESUS IN THE CENTER

> BREAD IS THE SOURCE

When Jesus is the center, we lack nothing.

He is the source of creativity, finances, and is the source of our protection regardless of what we might be facing. When we are in his hands, there is absolutely nothing to fear.

> BREAD IS THE TIPPING POINT

BREAD HAS BEEN PLACED IN THE BREAD BOX
set aside

Today, we are called to bring the bread back into all these places and even back into the discussions of our culture. We have lost the bread and the weight it brings, and we must get it back. When we bring back the bread, we will once again see miracles, and we will experience the tipping point that only the bread can bring.

DISCUSSION QUESTIONS:

What do you need to do to make Jesus be the centerpiece of your life?

How can we bring Jesus back into the center of our culture?

FULLY ALIVE IN JESUS.
