COVID-19 CASE COUNT DATA ERROR

EAST WENATCHEE, WA – Chelan-Douglas Health District (CDHD) would like to report a statistical error in the data reported over the weekend for confirmed COVID-19 cases in Chelan County. As of October 6, 2020, the correct case count for Chelan County is 2,137.

A typo incorrectly stated there are 3,017 confirmed COVID-19 cases in Chelan County. The error was corrected on the CDHD website Monday night. The data has been updated to reflect the correct number of COVID-19 cases in Chelan County.

For more information, visit www.cdhd.wa.gov/covid-19 and follow CDHD on [Facebook](#) & [Twitter](#).
