5. Once you have onboarded yourself, you are prompted to load the following documentation.

Documents required

Dear XXX

We have been unable to verify your account, **xxx**, as we have not received all of the required documents. You can upload these documents in Merchant Portal under **Settings > Sign Up Documents**.

What is required

Proof of business address (less than three months old)

1. Proof of business bank account (less than three months old)
2. Copy of the business owner's ID
3. Company CIPC registration documents/CK documents

Where the authorized representative has been nominated:

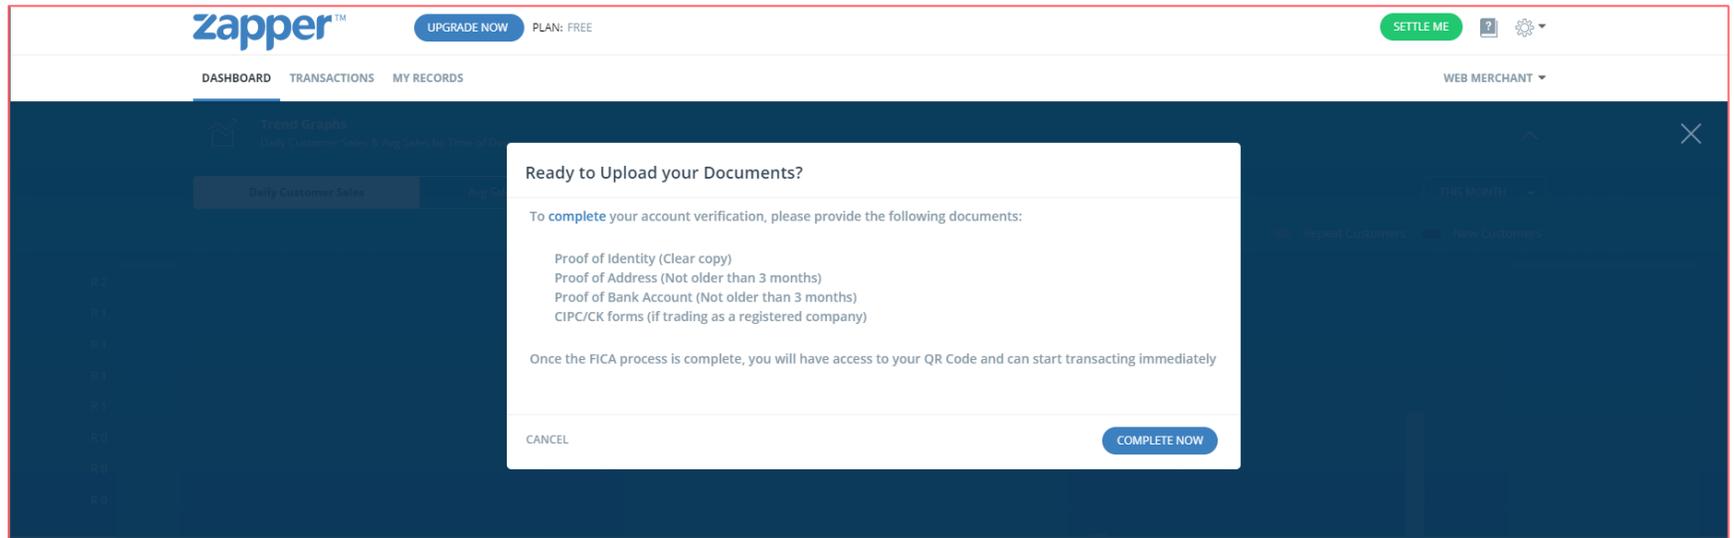

1. Letter of appointment on company letterhead signed by all directors nominating authorised signatory / representative
2. Copy of the authorized representative's ID (less than three months old)
3. Proof of residential address for the authorized representative
4. Personal contact details (personal email and cellphone number)

If you have any questions, please email our support team at support@zapper.co.za or call +27 87 150 1001.

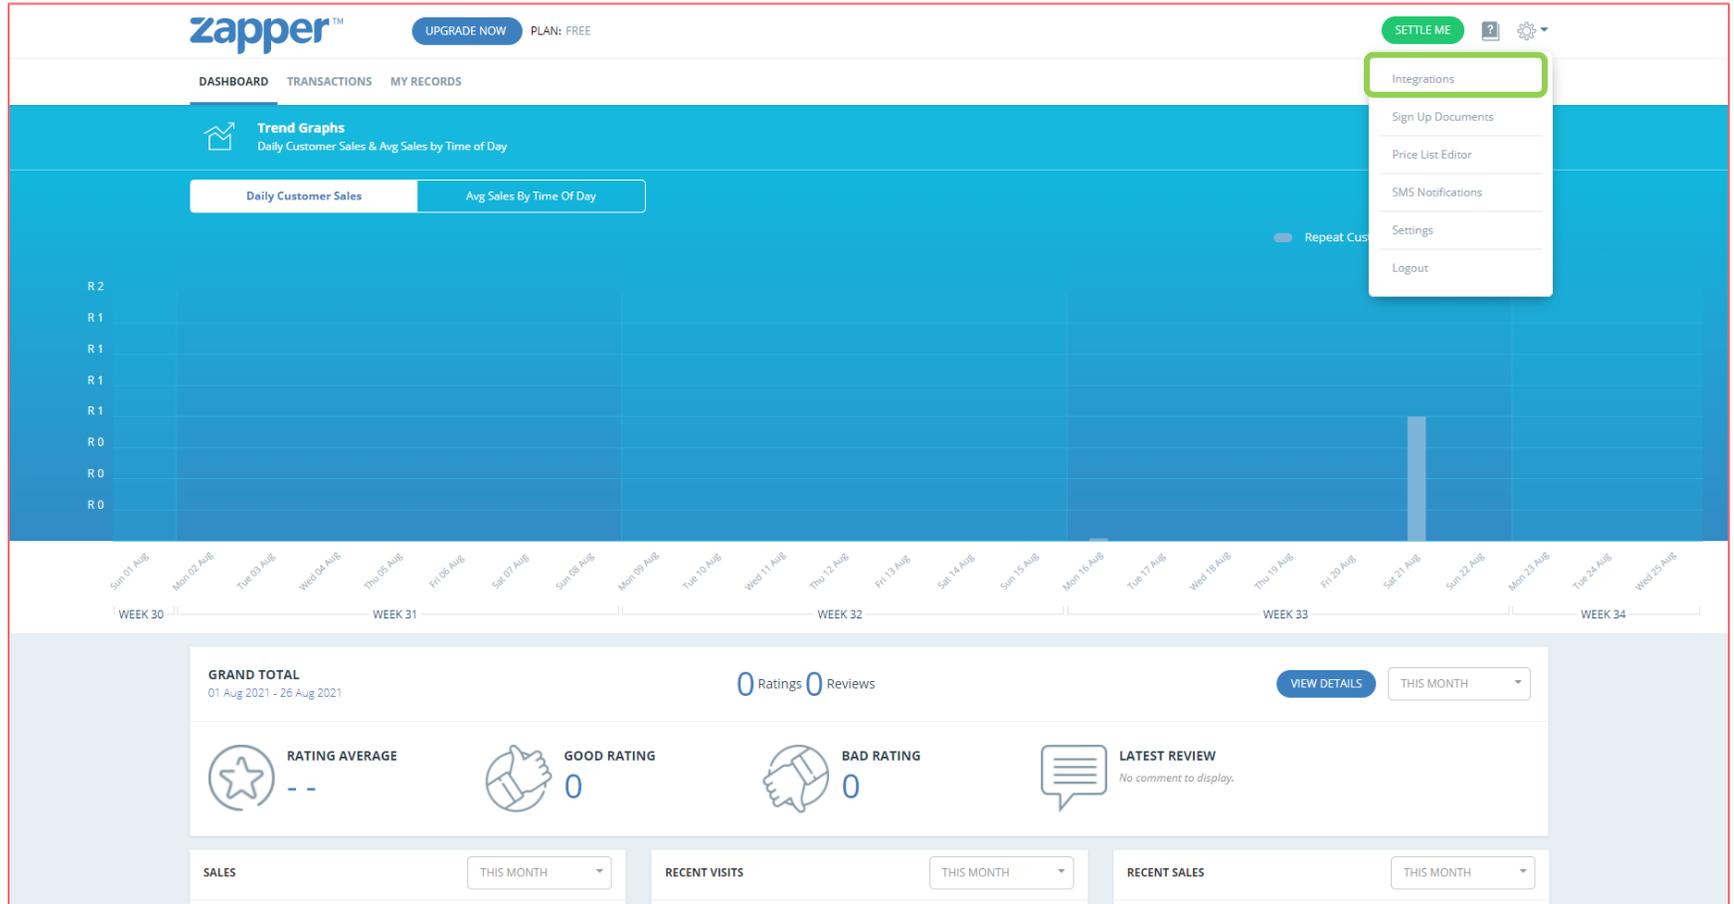

Thank you for using Zapper.

Merchant | Zapper – Merchant Onboarding and Integration details

6. On your Next log in you will be prompted to add the required documentation.

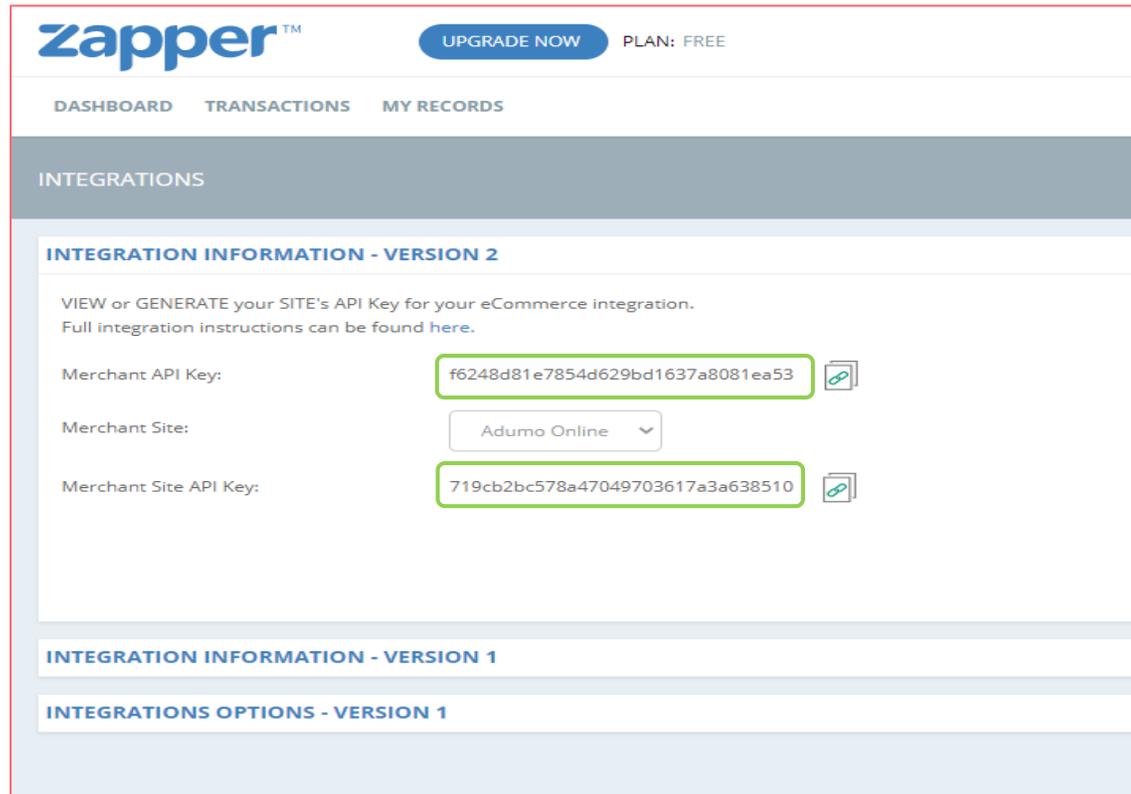

- 7. You will be able to get the required integration information as shown below directly from the Zapper Site, navigate to settings and select Integrations

8. This page will open and you will select INTEGRATED INFORMATION VERSION 2 and Generate the API Key

The screenshot shows the Zapper merchant dashboard. At the top left is the Zapper logo. To its right is a blue button labeled 'UPGRADE NOW' and the text 'PLAN: FREE'. Below the logo is a navigation bar with links for 'DASHBOARD', 'TRANSACTIONS', and 'MY RECORDS'. The main content area is titled 'INTEGRATIONS'. Under this title, there are three sections: 'INTEGRATION INFORMATION - VERSION 2', 'INTEGRATION INFORMATION - VERSION 1', and 'INTEGRATIONS OPTIONS - VERSION 1'. The 'INTEGRATION INFORMATION - VERSION 2' section is highlighted with a green border. It contains the text: 'VIEW or GENERATE your SITE's API Key for your eCommerce Integration. Full integration instructions can be found here.' Below this text are three fields: 'Merchant API Key:' with the value 'Please contact support@zapper.com', 'Merchant Site:' with a dropdown menu, and 'Merchant Site API Key:' with a blue button labeled 'GENERATE API KEY' that is highlighted with a green box.

- The API Key is required by Adumo Online, please sent this to support@adumoonline.com along with the details from step 11

The screenshot displays the Zapper dashboard interface. At the top left is the Zapper logo, followed by a blue 'UPGRADE NOW' button and the text 'PLAN: FREE'. Below this is a navigation bar with 'DASHBOARD', 'TRANSACTIONS', and 'MY RECORDS'. The main content area is titled 'INTEGRATIONS' and features a section for 'INTEGRATION INFORMATION - VERSION 2'. This section contains instructions to view or generate an API key and provides a link for full integration instructions. Three fields are shown: 'Merchant API Key' with the value 'f6248d81e7854d629bd1637a8081ea53', 'Merchant Site' with a dropdown menu set to 'Adumo Online', and 'Merchant Site API Key' with the value '719cb2bc578a47049703617a3a638510'. Each key field has a copy icon to its right. Below this section are two more sections: 'INTEGRATION INFORMATION - VERSION 1' and 'INTEGRATIONS OPTIONS - VERSION 1', both of which are currently empty.

10. Then Select INTEGRATED INFORMATION VERSION 1

The screenshot displays the Zapper merchant dashboard. At the top, the Zapper logo is on the left, and a blue 'UPGRADE NOW' button and 'PLAN: FREE' text are on the right. Below the header is a navigation bar with 'DASHBOARD', 'TRANSACTIONS', and 'MY RECORDS'. The main content area is titled 'INTEGRATIONS'. Underneath, there is a section for 'INTEGRATION INFORMATION - VERSION 2' which includes instructions to view or generate an API key and a link to full integration instructions. It lists three fields: 'Merchant API Key' with the value 'f6248d81e7854d629bd1637a8081ea53', 'Merchant Site' with a dropdown menu set to 'Adumo Online', and 'Merchant Site API Key' with the value '719cb2bc578a47049703617a3a638510'. Each key value has a copy icon. Below this section, 'INTEGRATION INFORMATION - VERSION 1' is highlighted with a green border, and 'INTEGRATIONS OPTIONS - VERSION 1' is visible at the bottom.

Merchant | Zapper – Merchant Onboarding and Integration details
