2.1 In the event of any conflict between the provisions of the PURCHASE ORDER, the various contract documents shall be given priority in the following order:

- (a) Any SPECIAL CONDITIONS agreed between the PARTIES and constituted in writing.
- (b) These General Conditions for Major Purchases of Goods.
- (c) The Purchase Order form.

2.2 The governing language of the PURCHASE ORDER shall be the English language.

	Document title: General Conditions for Major Purchase of Goods	Revision: 04
	Document number: GOV-02-P-PR-0003	Page: 7 of 27

3. ENTIRE AGREEMENT

- 3.1 The PURCHASE ORDER constitutes the entire agreement and understanding between the PARTIES in respect of the matters dealt with in it and supersedes all prior agreements, promises, correspondence, discussions, representations and understandings relating to the WORK, except those expressly set forth herein.
- 3.2 Other conditions shall not apply to the PURCHASE ORDER unless BUYER has accepted these in writing.
- 3.3 In the event that SELLER fails to return a signed PURCHASE ORDER to BUYER prior to or upon commencement of the WORK, said commencement of WORK by SELLER shall be deemed to constitute acceptance by SELLER of the PURCHASE ORDER issued by BUYER.

4. GENERAL OBLIGATIONS OF SELLER

- 4.1 SELLER shall perform the WORK, including but not limited to the preparation and supply of the DOCUMENTS, the manufacture and DELIVERY of the GOODS and the performance of the SERVICES, strictly in accordance with the terms of the PURCHASE ORDER and, with respect to the GOODS, in accordance with the DOCUMENTS furnished by SELLER and accepted by BUYER as detailed in the PURCHASE ORDER.

SELLER represents and warrants it has examined the PURCHASE ORDER and will examine other data supplied by BUYER from time to time. SELLER represents and warrants that it knows or, prior to accepting the PURCHASE ORDER, will determine i) the nature and scope of WORK, ii) the type and magnitude of the services required, iii) the character of materials and facilities required and location and peculiarities of each site where the WORK is performed, and iv) the general and local conditions, and (v) any other matters which could affect the WORK. SELLER's failure to examine the PURCHASE ORDER and/or other data or to become knowledgeable about or to discover matters which SELLER ought to have known or discovered in the performance of its examination and which affect the WORK, shall not relieve SELLER from its obligations under this PURCHASE ORDER.

- 4.2 No actions taken by BUYER in checking, verifying, reviewing, consenting to, approving, testing, inspecting the WORK, or any acknowledgement hereof shall in any way relieve SELLER from its obligations or liabilities as stated in the PURCHASE ORDER.
- 4.3 SELLER shall ensure that the WORK is performed in accordance with the PURCHASE ORDER and, without limitation, in accordance with high standards of engineering practice, workmanship and professional conduct applicable to the SELLER's industry. SELLER shall further ensure that the WORK is of a satisfactory quality and fit for its intended purpose as stated in the PURCHASE ORDER and complies with the latest issue (unless otherwise stated in the PURCHASE ORDER) of the standards and codes of

	Document title: General Conditions for Major Purchase of Goods	Revision: 04
	Document number: GOV-02-P-PR-0003	Page: 8 of 27

practice specified in the PURCHASE ORDER or, if none are specified, in accordance with the latest applicable standards and codes of practice of the industry concerned. Materials and equipment incorporated into the GOODS shall be new.

- 4.4 SELLER shall search for defects, discrepancies and inconsistencies (“Errors”) in the drawings, specifications, BUYER INFORMATION and other information or documents or data programs provided by BUYER. SELLER shall without undue delay notify BUYER of any such Errors discovered. If SELLER does not notify BUYER of any Errors that SELLER has discovered, or ought to have discovered, by such search and as a result BUYER incurs additional costs or is prejudiced as regards to warranties, guarantees or other rights, then all such costs incurred shall be borne by SELLER.
- 4.5 SELLER shall comply with all applicable laws, rules and regulations of any governmental, judicial or regulatory body having jurisdiction over the WORK or any site where the WORK is performed, including without limitation laws, rules and regulations pertaining to health, safety and the environment, non-discrimination of the workforce, organisation of labour, engineering codes and standards and construction codes and standards. SELLER shall defend, indemnify and hold BUYER GROUP harmless from and against all claims, losses, damages, costs and expenses (including legal fees) arising out of SELLER’s or SELLER GROUP’s failure to comply with the aforesaid laws, rules and regulations.
- 4.6 SELLER shall have and comply with a certified quality system as defined in the ISO 9000 series of standards, or a system of equal standard approved by BUYER which is suitable for the WORK to be performed.
- 4.7 SELLER shall carry out all tests and inspections detailed in the PURCHASE ORDER. If BUYER so requires, SELLER shall at its own cost inspect and test pursuant to any agreed test requirements any materials or equipment included in the WORK in order to confirm that the requirements of the PURCHASE ORDER are met. If the WORK fails any such inspections or tests SELLER shall, at its own cost, re-inspect and re-test. The costs of any test or inspections not detailed in the PURCHASE ORDER or not agreed between the PARTIES otherwise shall be borne by BUYER unless deficiencies in the WORK are revealed thereby in which case they shall be borne by SELLER. BUYER has the right, but not the obligation, to witness any test or inspection carried out by SELLER. SELLER shall notify BUYER of any test or inspection in adequate time in order for BUYER to be able to exercise this right.
- 4.8 SELLER acknowledges that import and export control laws of any relevant country may apply to the products and technical information to be delivered pursuant to this PURCHASE ORDER and SELLER shall comply, and ensure that SELLER GROUP complies, with all reasonable requests for information by BUYER in BUYER’s efforts to comply with these laws.

	Document title: General Conditions for Major Purchase of Goods	Revision: 04
	Document number: GOV-02-P-PR-0003	Page: 9 of 27

- 4.9 In performing the WORK and other obligations under this PURCHASE ORDER, SELLER shall be an independent contractor and not the agent or employee of BUYER. The relationship of employer and employee shall not exist between BUYER and SELLER or any of their employees. SELLER shall have no authority to make statements, representations or commitments of any kind or take any other action binding on BUYER. It is expressly agreed that it is not the purpose or intention of the PURCHASE ORDER to create, nor shall the same be construed as creating, any partnership or joint operation between BUYER and SELLER.
- 4.10 SELLER shall exercise all diligence to conduct its operations in a manner that will prevent pollution. No trash, waste oil, bilge water, fuel, or other pollutants, contaminants nor any object or piece of equipment shall be discharged, disposed of, dumped, or allowed to escape from SELLER GROUP's equipment or property. SELLER shall indemnify and hold BUYER GROUP harmless against any claims which arise as a result of a breach of this Article 4.10.
- 4.11 If BUYER becomes aware of any aspect of the WORK not meeting the requirements in the PURCHASE ORDER, SELLER shall remedy at its own cost any such non-conformity within a reasonable time upon receipt of BUYER's notice.

5. VARIATIONS

- 5.1 BUYER may order variations to the WORK as in BUYER's opinion are desirable. Variations may include an increase or decrease in the quantity, character, quality, kind or execution of the WORK, as well as changes to the DELIVERY DATE(S). Variations to the WORK shall be ordered through variation orders.
- 5.2 When BUYER requests a variation pursuant to Article 5.1 or, prior to issuing a written variation order, requests SELLER to provide an estimate of the effects of such variation, SELLER shall as soon as possible and at the latest within 10 days following BUYER's request submit a written confirmation or estimate containing a description of the effects the variation will have on the execution of the WORK (including the PURCHASE ORDER PRICE and DELIVERY DATE(S)). If SELLER does not issue such estimate or written confirmation within the aforesaid time limit, the variation shall be deemed not to have any effect on the PURCHASE ORDER. SELLER shall not initiate any variation WORK until BUYER has issued the variation order in writing.
- 5.3 If SELLER is of the opinion that it is entitled to a variation order, due to an instruction by BUYER or other circumstances resulting in an increase or decrease in the quantity, character, quality, kind or execution of the WORK as well as changes to the DELIVERY DATES(S), then SELLER shall issue a written request for a variation order without delay and at the latest within 10 days after SELLER becomes aware of or ought to have become aware of such a situation. If SELLER has not presented a request for a variation

	Document title: General Conditions for Major Purchase of Goods	Revision: 04
	Document number: GOV-02-P-PR-0003	Page: 10 of 27

order without delay, or at the latest within 10 days after SELLER became aware or ought to have become aware such situation has occurred, then SELLER shall lose the right to a variation order and/or the right to adjust the PURCHASE ORDER PRICE, scope of the WORK and/or the DELIVERY DATE(S). Variations must be approved by BUYER by means of a written variation order before SELLER initiates the variation work.

- 5.4 Any possible adjustment to the rates, costs and prices due to variation orders (other than where an estimate has been given in accordance with Article 5.2 and accepted by BUYER) shall be determined by using the rates, costs or prices described in the PURCHASE ORDER, or if no comparable rates, costs or prices have been set, the PARTIES shall agree on a price that reflects the general level of pricing described in the PURCHASE ORDER. If a change entails cost saving for SELLER, BUYER shall be credited accordingly.
- 5.5 A variation order shall not be allowed when the variation, revision, act of BUYER or occurrence is attributable to SELLER's breach of its performance obligations herein, or if minor revisions are required for recently completed WORK or WORK in progress. Disagreement as to effects with regards to a variation order shall not entitle SELLER to delay or withhold SELLER's DELIVERY and SELLER shall implement the variation without awaiting the final outcome of the dispute. The disagreement shall be stated in writing and confirmed by both PARTIES prior to SELLER's execution of the variation work.

6. RIGHT TO INFORMATION AND ACCESS TO THE WORK

- 6.1 Upon request, BUYER shall be entitled to promptly obtain all necessary information from SELLER which BUYER considers relevant to the PURCHASE ORDER, including but not limited to information which BUYER considers relevant for compliance with Article 4.5, satisfactory progress reports, information relating to SELLER GROUP and quality control reports.
- 6.2 SELLER shall cooperate with BUYER GROUP and CLIENT in all matters relating to the PURCHASE ORDER.
- 6.3 SELLER shall permit BUYER GROUP and CLIENT to carry out such audits and inspections as BUYER deems to be necessary including review of all data and records in connection with the WORK and all transactions related thereto and BUYER and/or its CLIENT shall have access to all information relating to the rates and prices as may reasonably be required to verify payments made to or by SELLER under or pursuant to the PURCHASE ORDER. SELLER shall ensure that BUYER shall have similar rights to audit and inspect SELLER's subcontractors.
- 6.4 BUYER GROUP is entitled to perform such audit during the period of the PURCHASE ORDER and for up to 2 years after the end of the year of COMPLETION. However, all

	Document title: General Conditions for Major Purchase of Goods	Revision: 04
	Document number: GOV-02-P-PR-0003	Page: 11 of 27

records pertaining to tax claims asserted on SELLER for which BUYER can be made jointly responsible shall be eligible for BUYER's audit until the particular claim can be declared finally resolved. No payment from BUYER shall affect BUYER's right to audit and inspect pursuant to Article 6.3. If payments are proven incorrect, SELLER shall promptly submit the corrected invoice.

7. SUSPENSION

- 7.1 BUYER may instruct SELLER to suspend the WORK or parts thereof by written notification to SELLER and SELLER shall comply with such direction immediately or as directed. SELLER shall, without delay, inform BUYER of the effects the suspension will have on the performance of the WORK. SELLER shall resume the WORK immediately after notification by BUYER.
- 7.2 During the suspension period, SELLER shall maintain, store and protect the WORK and shall be entitled to compensation only for documented and necessary expenses in connection with demobilisation and mobilisation of personnel and for other substantiated costs reasonably incurred by SELLER as a direct consequence of the suspension.
- 7.3 SELLER has no right to suspend performance except where ordered by BUYER or in the event of FORCE MAJEURE.

8. CANCELLATION AT BUYER'S CONVENIENCE

- 8.1 BUYER may, for its own convenience and at any time, cancel the PURCHASE ORDER or cancel the WORK or parts thereof with immediate effect by written notification to SELLER. Such cancellation shall be regarded as cancellation at BUYER's convenience.
- 8.2 In the event of cancellation at BUYER's convenience, BUYER shall pay the unpaid balance due to SELLER for that part of the WORK already performed and shall cover substantiated costs reasonably incurred by SELLER as a direct consequence of the cancellation.
- 8.3 Upon cancellation at BUYER's convenience and upon the BUYER exercising its rights for an Event of Default pursuant to Article 17, the following provisions shall apply with respect to the relevant part of the WORK:
- (a) SELLER shall immediately stop all WORK and shall instruct SELLER GROUP to do the same;
 - (b) SELLER shall maintain, store and protect the WORK until BUYER provides further instruction;
 - (c) SELLER shall deliver to BUYER all DOCUMENTS, including all BUYER INFORMATION;

	Document title: General Conditions for Major Purchase of Goods	Revision: 04
	Document number: GOV-02-P-PR-0003	Page: 12 of 27

- (d) BUYER may take possession of the WORK or any portion of the WORK that is cancelled, including, without limitation, DOCUMENTS, GOODS, equipment, materials, supplies and structures; and/or
- (e) SELLER shall, upon request, transfer all subcontracts to BUYER or BUYER's nominee or negotiate acceptable cancellation terms to BUYER, as directed by BUYER.

8.4 BUYER's right to cancellation according to this Article 8 is without prejudice to any other rights or remedies of BUYER. BUYER's sole liability to SELLER GROUP in the event of such cancellation shall be determined in accordance with this Article 8 and BUYER shall not be liable for any other damages including, without limitation, loss of anticipated profits or other consequential or indirect loss.

8.5 Any Articles which expressly or by implication survive termination of the PURCHASE ORDER shall continue in full force and effect.

9. PURCHASE ORDER PRICE

9.1 The PURCHASE ORDER PRICE shall be considered as fixed and firm unless expressly agreed to the contrary.

9.2 In the case of deliveries charged for on a reimbursable basis, payment will become due according to Article 10 only when BUYER has had a reasonable time to verify and accept all WORK to which the invoice relates.

9.3 SELLER shall defend, indemnify, and hold BUYER GROUP harmless from any liability, claim, cost, or demand resulting from any member of SELLER GROUP's failure to make any payment, filings, reporting, comply with any procedural requirement or any obligations with respect to any TAXES incurred with respect to the WORK or the PURCHASE ORDER. This indemnity shall include all related penalties and interest imposed in addition to the TAXES due as a result of the failure of any member of SELLER GROUP to comply with reporting, filing, payment, or procedural requirements.

10. TERMS OF PAYMENT AND SECURITY

- 10.1 BUYER shall make payment within 60 days following the receipt of a correctly rendered invoice, provided that SELLER's obligations under the PURCHASE ORDER have been fulfilled. BUYER may withhold payment of any disputed or insufficiently documented amounts.
- 10.2 No payment of, or on account of, the PURCHASE ORDER PRICE shall constitute any admission by BUYER as to the performance by SELLER under the PURCHASE ORDER and shall not prejudice any rights or remedies of BUYER in contract or otherwise in law.
- 10.3 BUYER may deduct from any payment due to SELLER all costs, charges, damages, liquidated sums, expenses and other moneys which are payable by or to be reimbursed by SELLER to BUYER under any provision of the PURCHASE ORDER or otherwise. Where such a sum has become payable by SELLER to BUYER but the precise amount payable has not been determined, then BUYER may make a reasonable estimation of the amount likely to become payable and may withhold that estimation from moneys payable to SELLER. As soon as the exact amount payable by SELLER to BUYER becomes known, the PARTIES will make any necessary adjustments between them.
- 10.4 All invoices submitted by SELLER shall contain all information and supporting documentation that BUYER deems necessary for evaluating the claim in the invoice.

14.2 SELLER shall store all GOODS and any materials for incorporation into the GOODS and any FREE ISSUED MATERIALS separately from all other goods and materials in SELLER's premises and shall mark and label them as the property of BUYER. In addition, BUYER shall have the right to take all actions BUYER deems necessary, in order to protect BUYER's ownership to all items BUYER has title to in accordance with this Article 14.

14.3 All BUYER INFORMATION shall, as between BUYER and SELLER, be the property of BUYER.

14.4 If BUYER issues FREE ISSUED MATERIALS or FIM to the SELLER, such materials shall remain the property of BUYER at all times. SELLER shall have the risk of loss or damage to such materials from the delivery of such until DELIVERY of the GOODS (including such FIM) to BUYER. BUYER of any Errors (as defined in Article 4.4) discovered by such examination. If SELLER does not notify BUYER without undue delay of an Error that SELLER has discovered, or reasonably ought to have discovered, and as a result, BUYER incurs direct additional costs, or loses rights, warranties or guarantees, then all such costs incurred shall be borne by SELLER.

14.6 SELLER warrants it shall not permit the creation of and shall promptly discharge any lien, charge or other encumbrance created in or over the WORK, property of BUYER GROUP or property of CLIENT and shall not enter into any agreement with any third party which shall prevent BUYER acquiring clean, full and unrestricted title in accordance with this Article 14. SELLER shall ensure that SELLER GROUP complies with this Article 14.6. SELLER shall indemnify BUYER against any costs and expenses (including legal fees) incurred by it as a result of any breach of this Article 14.6 by SELLER or SELLER GROUP and shall take all steps necessary to allow BUYER to acquire title to the WORK in accordance with this Article.

15. DELAY

15.1 As soon as SELLER believes, or has grounds for believing, that DELIVERY or any part thereof will be delayed past the DELIVERY DATE(s), SELLER shall immediately notify BUYER in writing of the delay, the cause thereof and the measures SELLER will initiate in order to minimize the delay. SELLER shall implement all necessary actions and bear all costs incurred to minimize the delay unless the delay is mainly caused by BUYER. If SELLER fails to notify BUYER or fails to provide such information as requested in this Article 15.1, SELLER shall pay all direct costs incurred by BUYER as a result of such failure.

15.2 If the WORK or any part thereof is not ready for DELIVERY on the DELIVERY DATE(S) or it is evident that the WORK or any part thereof will not be ready on the DELIVERY DATE(S) otherwise than to the extent that such delay is mainly caused by BUYER, BUYER shall be entitled to require the DELIVERY of the WORK and any materials and equipment related thereto to BUYER for completion at SELLER's risk and cost at another location by SELLER (or a third party) at BUYER's option. If BUYER has required such DELIVERY, then BUYER is not obliged to pay that part of the PURCHASE ORDER PRICE which relates to the uncompleted part of the WORK. SELLER shall indemnify BUYER with respect to all additional costs resulting from the delivery in an incomplete state, including without limitation, the costs to complete the WORK. SELLER shall, at BUYER's request, provide any manpower or other resources required for the completion of the WORK at an alternative location.

15.3 Subject to Article 15.1, if SELLER's DELIVERY is delayed and deviates from any of the DELIVERY DATE(S), BUYER is entitled to liquidated damages amounting to 0.5% of the total PURCHASE ORDER PRICE, per commenced calendar day. The liquidated damages shall not exceed 20% of the total PURCHASE ORDER PRICE. BUYER and SELLER hereby

	Document title: General Conditions for Major Purchase of Goods	Revision: 04
	Document number: GOV-02-P-PR-0003	Page: 18 of 27

agree that the liquidated damages are a genuine reasonable pre-estimate of the losses which may be sustained by BUYER in the event that SELLER fails in its respective obligations under the PURCHASE ORDER and shall not be claimed or construed as a penalty or other unenforceable sum.

15.4 The payment of any damages in this Article 15 shall not release SELLER from its obligation to otherwise fully perform its obligations under the PURCHASE ORDER.

16. WARRANTY AND GUARANTEE

16.1 SELLER warrants and guarantees that, (i) it has performed and shall perform the WORK in accordance with the provisions of the PURCHASE ORDER, (ii) that the WORK will be free from any defects, (iii) the WORK shall be capable of achieving the performance standards set forth in the PURCHASE ORDER and that if within the WARRANTY PERIOD the WORK is found to be defective, inadequate or otherwise fails to meet the requirements of the PURCHASE ORDER, then SELLER shall forthwith, on written notice from the BUYER, rectify or (at the option of BUYER acting reasonably) replace the WORK and carry out all necessary work associated with such rectification or replacement at SELLER's sole cost. Such work shall include but not be limited to removal, repair, engineering, procurement and reinstallation of the defective WORK or that affected by the deficiencies. For defects resulting from deviations from specifications of significant importance as stated in the PURCHASE ORDER, the WARRANTY PERIOD shall be extended by three years from the expiry of the basic WARRANTY PERIOD defined in Article 0.

16.2 In the event that after BUYER has provided notice as stated in Article 16.1, SELLER fails to rectify, re-perform or replace the defect within a reasonable time, or if BUYER is unwilling to permit SELLER to rectify, re-perform or replace the defect, BUYER may, at its option and without prejudice to any other rights or remedies it may have under the PURCHASE ORDER, undertake such rectification itself or procure a third party to undertake such rectification, and SELLER shall bear the risk of such rectification of the WORK and costs. SELLER's failure to sufficiently rectify, re-perform or replace defects within a reasonable time shall be considered by BUYER as a material breach of the PURCHASE ORDER.

16.3 Without prejudice to the foregoing, BUYER shall be entitled to the benefit of any longer warranty and guarantee periods than those provided in Article 16.1 and as may be provided by any member of SELLER GROUP, and to the extent assignable, all rights and remedies available to SELLER GROUP shall be passed directly to BUYER.

16.4 If SELLER makes rectifications according to Articles 16.1 and 16.2, the provisions of this Article 16 shall apply to said rectifications for twenty four (24) months from the completion of such corrections or the end of the basic WARRANTY PERIOD, whichever is later in time.

	Document title: General Conditions for Major Purchase of Goods	Revision: 04
	Document number: GOV-02-P-PR-0003	Page: 19 of 27

16.5 Without prejudice to any other rights of BUYER, in the event that the WORK is not capable of being used as contemplated by the PURCHASE ORDER for any period due to SELLER's default, the WARRANTY PERIOD shall be extended for a corresponding period of time.

16.6 BUYER is entitled to claim compensation for any damages and losses suffered due to defects in the WORK arising after COMPLETION, limited to the PURCHASE ORDER PRICE. Notwithstanding this, the provisions of this Article 16 shall not limit SELLER's liability under any provision of this PURCHASE ORDER and shall be in addition to any rights BUYER may have in contract, equity or law.

17. TERMINATION FOR DEFAULT

17.1 An "Event of Default" shall occur when SELLER fails in any way to fulfil its obligations pursuant to the PURCHASE ORDER, is liable for the maximum of any limitation of liability hereunder, becomes insolvent or otherwise stops its payments.

17.2 If an Event of Default occurs, BUYER may choose one or more of the following alternatives in combination with or addition to those specified in Article 8.3:

- (a) Demand DELIVERY of the wholly or partially completed WORK and have it completed, at option of BUYER, by SELLER or a third party nominated by BUYER, at SELLER's sole cost;
- (b) in case of Event of Default caused by breach of material obligation terminate the PURCHASE ORDER for default; and/or
- (c) Claim compensation for losses directly related to the Event of Default, including all costs to complete the WORK and related to any termination.

17.3 SELLER is only entitled to be credited that part of the PURCHASE ORDER PRICE which relates to WORK completed in compliance with the PURCHASE ORDER. All costs related to the aforementioned termination shall be borne by the SELLER, and any amount so credited to SELLER shall be set off against BUYER's costs related to the termination.

17.4 BUYER's rights pursuant to this Article 17 are without prejudice to any other rights or remedies BUYER may have in contract or at law.

18.2 The PARTY invoking FORCE MAJEURE shall, as soon as possible, notify the other PARTY in writing of the FORCE MAJEURE situation, the cause of delay and the presumed duration thereof.

18.3 For the purposes of the PURCHASE ORDER, a FORCE MAJEURE situation shall include, but not be limited to;

- (e) Maritime or aviation disasters.

Provided always that the occurrence is beyond the control of the PARTY affected and that such PARTY could not reasonably have foreseen such occurrence at the time of entering into the PURCHASE ORDER and could not reasonably have avoided or overcome it or its consequences.

18.4 Each PARTY is entitled to terminate the PURCHASE ORDER by written notice to the other PARTY if the FORCE MAJEURE situation continues, or it is obvious that it will continue, for more than 60 days. In such case BUYER may require the WORK to be delivered in the condition it is in at the date of termination upon paying a pro rata part of the PURCHASE ORDER PRICE. In the event of termination due to FORCE MAJEURE, each PARTY shall cover its own costs resulting from the FORCE MAJEURE situation. SELLER is entitled to the unpaid balance due to SELLER for that part of the WORK already performed prior to the occurrence of the FORCE MAJEURE situation and SELLER shall ensure that BUYER has full unrestricted title for the same.

18.5 In the case of FORCE MAJEURE, each PARTY shall cover its own costs resulting from the FORCE MAJEURE situation.

19.4 Notwithstanding anything herein to the contrary, BUYER shall defend, indemnify and hold SELLER GROUP harmless from BUYER GROUP's own Indirect Loss, and SELLER shall defend, indemnify and hold BUYER GROUP harmless from SELLER GROUP's own Indirect Loss. necessary insurances required, customary or advisable, for the performance of the WORK.

19.5.2 SELLER shall maintain at a minimum the insurances listed below. The amounts are minimum requirements and not limits of liability and they are not to be construed as SELLER's consent to substitute its financial liability in excess of the amounts set forth except as otherwise agreed in the PURCHASE ORDER:

- (a) Workers compensation and/or employer's liability insurance covering personal injury to or death of personnel of SELLER GROUP to the minimum value required by APPLICABLE LAW or, if greater in sum, US Dollars two million (US\$ 2,000,000) per occurrence, including extended cover for working offshore in accordance with project requirements.

19.6.2 All insurances shall be endorsed to provide that underwriters waive any rights of subrogation against BUYER GROUP to the extent of the liabilities assumed by SELLER under the PURCHASE ORDER.

19.6.3 Such insurances shall also where possible, provide that BUYER shall be given not less than thirty (30) calendar days prior written notice of cancellation of or material change to the insurance cover.

	Document number: GOV-02-P-PR-0003	Page: 23 of 27

thereafter renewals thereof, documenting that the relevant insurance requirements are procured and shall be maintained in accordance with this Article 19. The provision of the insurance certificates to BUYER shall not fix BUYER with the content thereof and shall not be a defence to any claim by BUYER against SELLER.

- 19.7 In the event that SELLER fails to provide any of its insurance set forth in this Article 19 or should any insurance be cancelled, terminated, BUYER may consider this an Event of Default and terminate the PURCHASE ORDER or have the right (not the obligation) procure the requisite insurance at SELLER's own cost.
- 19.8 The provisions of Articles 19.5, 19.6 and 19.7 shall in no way limit the liability of SELLER under the PURCHASE ORDER.

- 20.2 No failure or delay on the part of BUYER to exercise any power, right or remedy under this PURCHASE ORDER shall operate as a waiver thereof nor shall any single or partial exercise by the BUYER of any power, right or remedy preclude any other or further exercise thereof or the exercise of any other power, right or remedy.

21. INTELLECTUAL PROPERTY RIGHTS

- 24.1 SELLER shall not subcontract any major or important part of the PURCHASE ORDER unless BUYER has given approval in writing. Subcontracting shall not relieve SELLER of SELLER's responsibility for the whole of the WORK and for the timely execution hereof and SELLER shall be responsible for the acts, defaults and neglects of its subcontractors as fully as if they were the acts, defaults and neglects of SELLER.
- 24.2 SELLER shall ensure that all subcontractors involved in the performance of the WORK are bound by terms that are no less stringent than the PURCHASE ORDER.
