If you fail to cancel your holiday reservation within this period you will be charged a two-night charge of \$76, per dog. This includes the periods surrounding IU's Spring Recess, Thanksgiving, and Christmas/New Year's Day. By accepting these terms/policies, you authorize The Dog House, LLC to charge the credit card on file for any late cancellation fees incurred.
- An after-hours pickup service is available for your convenience. This service must be prescheduled and approved by Dog House staff. This service is \$20.00 per pet, in addition to any applicable ½ day boarding charges. Any drop off after 1:00 PM results in an automatic \$25.00 fee per pet and is strongly discouraged in order to maintain our quality of care. By accepting these terms/policies, you authorize The Dog House, LLC to charge the credit card on file for any out-of-hours fees incurred.

- Major holidays (New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, Christmas Eve, Christmas and New Year's Eve) will incur a \$5.00 holiday fee for each boarding dog staying that night. Any boarding during Spring Break (IU's Spring Recess) will incur a one-time \$10.00 holiday fee, per dog.
- Daycare may be closed during major holiday periods, including IU's Spring Recess. Please consult our online calendar for these cancellations.

- Any dog that has not visited in the last 12 months will be required to participate in another daycare/behavior evaluation prior to scheduling additional services. This allows us to see if any changes in behavior have arisen since your pet's last behavior evaluation.
- Because we take pride in our facility, The Dog House does NOT allow dogs that have been "skunked". If a skunk has sprayed your pet, it will not be accepted for any service until the smell dissipates. We will not bath any pet that has been sprayed by a skunk in the last 14 days.
- For the health of all pets in our care, please do not bring your pet to our facility with fleas or other parasites. If your pet is found to have fleas, it will be bathed at our regular bathing price (\$27.00).
- Boarding customers must provide food for the length of their pet's stay. Food is available for purchase (\$1.00 per cup) if you choose not to provide your own, or if your pet runs out of food during a visit.
- Owners may choose to provide lunch for their pet during a daycare visit. Lunch provided will be offered to your pet at a cost of \$1.00 per meal. This fee is waived for pets under 1 year of age or those whose meal is medically necessary.
- For boarding services, food should be separated into individual meals using plastic bags or containers. Please label each meal legibly your pet's first and last name (ex. Fido Smith). Any additional items such as canned food, cooked chicken, etc. should be labeled on the side with your pet's first and last name and the amount to be given per feeding. Refrigeration is available should your pet's diet require it. You may provide treats for your pet during his/her visit, but please, no rawhides or jerky treats. Our storage bins are 13x13x15 inches. It is quite helpful to us if your pet's belongings fit within these parameters.
- Please make staff aware of all injuries, allergies, medical ailments, physical limitations, and pre-existing conditions at time of drop off.
- Aged or chronically ill pets will require a signed waiver. It is important that we have all necessary information to provide your pet with the best care possible.
- Each medication requires a medication form. A new form must be submitted each time your pet visits The Dog House and requires medication. All medications must be provided to us in a compartmentalized medication organizer. No additional fee is charged for administration of medication, with the exception of injections, which are \$2.00 per administration.
- The Dog House provides everything needed to care for your dog. Please do not bring any items other than food/medications. If you choose to do so, The Dog House is not responsible for items left in our facility, including but not limited to: leashes, bowls, beds, food scoops and toys.
- Please take your pet to the Pea Patch prior to entry into our lobby.
- Dogs over 6 months old must be spayed or neutered.
- Dogs must be 4 months old and current on DHLPP, rabies, and bordetella vaccinations to attend The Dog House. A copy of your dog's vaccination records is required for our files. A licensed veterinarian must administer vaccines. It is the client's responsibility to provide this information to our office; by law we are unable to contact your veterinarian for this information.
- All dogs MUST have a well-fitting collar or harness and ID tag on during each visit. This collar or harness will remain on your pet for the length of his/her stay (unless removal is medically necessary). No "choke" style collars or metal collars are permitted. Please make sure your pet is also wearing an ID tag with his/her name. If you do not have an ID tag, engraved metal tags are available for purchase in our lobby.
