Dear Joe,

Thank you for your interest in Record Group 161, Records of the Commodity Credit Corporation. I received your request from my colleague, Wade Popp, because I am the archivist that works with this record group.

There appears to be two series that relate directly to the War Hemp Program.

["Records from the Board of Directors of the War Hemp Industries, Inc. 1943-1947"](#) (National Archives Identifier 4726276). This series consists of two boxes (10 linear inches).

["General Records Relating to the War Hemp Program, 1942-1946"](#) (National Archives Identifier 4728321). This series consists of 31 boxes (13 linear feet, 7 linear inches). The third finding aid is a folder list for this series.

Please let me know if you have any questions.

Sincerely,  
Pam Anderson

**In January of 2020 hemp researcher and Gourmet Hemp Foods owner, Joe Domino, visited the National Archives of Kansas City, Missouri. Joe did extensive planning before his trip - as seen in his November 27th, 2019, correspondence with Pam Anderson, a KC archivist. With Pam's help both WAR HEMP INDUSTRIES Inc. series were readied for Joe's planned visit. The two series were: "Records from the Board of Directors of the WHI Inc., 43-47" & "General Records Relating to the War Hemp Program 42-46." Upon arrival Joe was not only impressed and excited about the wealth of hidden history but, also, overwhelmed. Over a two day period 1,600 photos were taken of everything and anything that was deemed important. This work puts to bed the *Hemp for Victory* conspiracy once and for all. Visit [Hempology.org](http://Hempology.org) for a link to Joe's research work.**
