Bristol is a fabulous, historic and student-friendly city in the south-west of England. It is a modern and creative city, with great historical areas and plenty of culture to offer. Bristol's highlights are the museums and art galleries, the exciting zoo, the aquarium, the world-famous Clifton Suspension Bridge crossing the river Avon, and many more.

A summer programme at ILC Bristol will keep young learners busy and positively engaged with their Bristol learning environment.

We want nothing more than our young students to learn and enjoy their summertime with us and make new friends from other countries!
