RE: Sanitary Sewer Project Approved by Whitley RSD Board of Trustees

Dear Property Owner:

You are receiving this letter as a property owner in the Dunfee project area. This letter is to update you on the Whitley RSD Board meeting that was held on Tuesday, November 20th 2018 regarding proposed sanitary sewer project areas in Whitley County. It is the goal of the Board of Trustees (Board) of the Whitley RSD to consider cost feasibility, resident survey results and environmental status, when deciding how to address particular areas. The Board of Trustees voted unanimously to proceed with the sanitary sewer project for Dunfee.

The next step is to move forward with engineering design work. We are currently sending out requests for bids to engineering firms. The Board will vote to select a firm at the December or January board meeting. We will send additional updates as the process moves along. You can also follow along at our website www.WhitleyRSD.com and sign up for email updates as well. If you have any questions regarding this matter feel free to e-mail me directly at lane@bcs-management.com or the Whitley RSD general email account at SewerDistrict@whitleygov.com. We look forward to meeting with you again.

Sincerely,

A handwritten signature in black ink, appearing to read "Lana Bereszazi", is written in a cursive style.
