Please inform us of any allergies or dietary requirements before ordering.

All of our food and drinks may contain traces of alcohol, nuts, fish, microorganisms, carbon molecules, nitrogen molecules, all molecules essential to organic matters, and possibly others which are not essential to organic matters, as well as many other airborne particles.

In particular, there will certainly be traces of celery, gluten, crustaceans, eggs, fish, lupin, milk, molluscs, mustard, nuts, peanuts, sesame seeds, soya, and sulphur dioxide, as they are regularly used in our kitchen.

Our staff are very happy to advise on the key intended ingredients for each dish. We also advise seeking medical professions for special dietary requirements and allergies.
