- We don't worship the Bible; we worship the God of the Bible, and His Word is how we commune with Him.

### **THREE OBSERVATIONS ABOUT THE WORD**

- The Word is meant to be chewed – It's a meal that needs to be savored.
- The Word will flood your thinking – It fills the core of who you are.
- The Word will transform your behavior – It doesn't return void.

## QUESTIONS

1. Share some of the ways the Word of God has shaped or transformed your thinking or behavior in the past.
2. When we get squeezed, what we've been soaking in is revealed. What are current challenges or concerns revealing about you?
3. What correlation can you make between the amount of time you spend "chewing" on the Word and the amount of hope and peace you personally experience? Why is this the case?
4. What would you have others pray for you?
