AN ODD COMMAND

- Thanksgiving requires right thinking, not right circumstances.
 - ▶ Right thinking requires perspective.
 - ▶ With people – Same circumstances ≠ same results.
- Thanksgiving is a keystone activity.
 - ▶ Thanksgiving is the hallmark of an “others oriented” life.
 - ▶ Thanksgiving is born out of faith.
- The satisfied life is thankful!

2. How can believers exhibit thankfulness without ignoring the mess?
3. How does thankfulness produce satisfaction? How would you rate yourself in this area?
