## QUESTIONS

1. In the story of Daniel, we see God's sovereignty on display. In what ways do you see the sovereignty of God on display in the world or in your own life?
2. What does it mean to be defiled by the world? What defensive measures can you take to protect yourself against being defiled? Is it possible to be too protective? Explain.
3. What physical, mental, and spiritual blessings has the Lord given to you? How can you use them to bring glory and honor to Him the way Daniel and his friend did?
4. Pray.
