BECOME A HOPE CHAMPION

The pandemic hasn't been an easy thing for any of us to navigate. In Lieu of holding large events, Hope Partnership has decided to develop fundraising strategies around the current climate of the pandemic.

We believe housing comes first, plain and simple. We believe ALL people deserve a safe place to call home, and it remains at the core of who we are as an organization.

By committing to an annual sponsorship level, you are helping us provide life-changing essential services to our community's most vulnerable neighbors. Through your support, you are a hero to those in need of food security, housing stability, safety, encouragement, and hope. We are so excited to have you join us in making sure everyone has a safe place to call home!
