

REFUEL MOBILE

FLEET VEHICLES

WWW.REFUELMOBILE.CA

A better way to get fuel

Save up to **\$1,500** per vehicle.

COMPANIES THAT TRUST US

Why partner with us?

Reduce Wear & Tear

No more unnecessary mileage added to your fleet vehicles.

Save on Labour

Eliminate the time employees spend going to the gas station, waiting in line, and filling up.

Theft Reduction

Avoid the risk of theft by taking company credit cards and fuel cards out of circulation.

Fuel Management

Track every dollar spent on fuel and avoid the headache of managing gas receipts.

Safer

Our drivers are professional and safety certified, eliminating your exposure to gas pumps.

Greener

Every fill up done by our trucks saves 1.4 lbs of CO2 emissions. Contribute to a greener future.

Manage fuel costs.

With ReFuel Mobile, your company will be able to reduce fuel expenses, improve fleet maintenance, increase productivity, and save over \$1,500 per vehicle every year.

Custom programs built for you.

Our team will work with your fleet managers to ensure the vehicles on your lot are filled and ready to go. We are available on evenings and weekends to best suit your operating schedule.

Don't pump on the job.

No more sending out drivers before or after work to get fuel. No more gas cards and unnecessary expense reports. With ReFuel Mobile, the gasoline for your fleet vehicles will come right to your parking lot.

Sign up with ReFuel Mobile today.

Maximize your fleet usage by fuelling with ReFuel Mobile.
Let us bring the gas to you and allow your employees to skip the pump.
