

APPLICATION FOR EXEMPTION

BUSH FIRES ACT 1954 Section 22C Total Fire Ban Section 25A Restricted and Prohibited Burning Times

During a total fire ban, an exemption is required to carry out any activity not prescribed in the *Bush Fires Regulations 1954* which could cause or is likely to cause a fire. An exemption is also required to carry out certain activities during local government restricted and prohibited burning periods. These activities include but are not limited to programmed hot fire training, rail grinding, religious and cultural ceremonies which involve fire.

Please submit your application to the email address: exemptions@dfes.wa.gov.au

SECTION 22C EXEMPTION: TOTAL FIRE BAN - Subject to compliance with any conditions placed on the approval, a section 22C exemption, allows the lighting and/or use of a fire or the carrying out of an activity in the open air that may cause a fire, during a total fire ban declared by DFES.

SECTION 25A EXEMPTION: RESTRICTED AND PROHIBITED BURNING TIMES - Subject to compliance with any conditions placed on the approval, a section 25A exemption, allows the lighting and/or use of a fire during the local government Restricted and Prohibited Burning Times.

Nature of the work locations-	ation
Brief description of what company/business does at work local	auon
	g. hot fire training, gas flaring, catering activity (i.e. outside
pizza ovens) etc State the activity to be undertaken at the site involving the use of fire or the proposed activity to be undertaken that could cause a fie.	
Period or length of time exemption sought	
	or ongoing work practice (bi-annual review/renewal)
