\* Coding is a clinical decision and should be to the highest level of specificity. This example is provided for informational purposes only. Information is subject to change; contact the appropriate payor for specific current coverage, reimbursement rates, and coding guidance. Individual patient billing will vary based on multiple factors and determination of coverage, coding, or reimbursement is not implied. Coverage, deductible, coinsurance, and copay are based upon payor/plan specifics and/or payor contracts. CPT® codes and descriptions are copyright of the American Medical Association.
