Welcome Email

Hi ___,

Welcome

We have multiple features that will help to streamline the way you take payments and help you to get paid faster.

→ Easily **take unlimited card payments** on your phone, laptop or any smart device.
→ **Request payments** via email & SMS: track their progress & let our auto reminders do the chasing for you.
→ **Create a simple shop** to sell products & services online. No website needed.
→ **Payments dashboard** to view all payments, setup recurring payments and nudge outstanding payment requests

Login in HERE {hyperlink} to get started, and if you have any questions while getting set up, just reply to this email.

We're here to help,
