# FAITH-BASED CONCEPTS THAT ERASE LIMITS

## Signature Programs

### DIVINE DESIGN-BASED PRINCIPLES

My story, my past, and my assignment from God. Learn about God's Pre-Existent design and intent for your life as well as the importance of you being aligned with your divine design for which you were specifically constructed, (Psalm 139: 13-24).

### PURPOSE-BASED DESIGN THAT DRIVES CHANGE

Yes, you are here for a reason. The signs of this time are saying one of the reasons is to "Bring Change" to this world. The idea of your "Unique Design" is fitting for the change that is needed now. Could your design be the medicine that has been "Prescribed" for the pain in the world today? (Eph. 1:4) According to God's divine word; he chose us in Him before the foundation of the world.

### CHRIST-MINDED CONCEPTS THAT TRANSCEND CIRCUMSTANCES

No matter your battle, affliction, or hardship; transcendence and victory are possible when you erase limits through Christ-Minded concepts and principles. This program will allow audience members to be transformed through the teachings of Christ and move beyond their present circumstances to live more fulfilling lives.

## OF W.WAYNE HOLMES

---

"My life changed forever after an encounter with Wayne Holmes' teachings. In the summer of 1992, my sister and I attended Wayne's weekly meetings. My life turned completely around. Sometimes I shudder to think what would have happened to me, and many others if Wayne were not faithful to the call that God has on his life. A lot of things for me would have worked out differently, and not in a good way. Once you find your divine design and life's purpose everything becomes different. I will never ever really be able to thank Wayne Holmes enough for this dedication, time, patience and for all the things he has done for me. Life will forever be better because of the impact on my life from his skillful communication and clear teaching of powerful life-changing thoughts. "

-Gina Stevens

"I have known W.Wayne Holmes as a professional speaker for 25 years. Initially, his influential messages encouraged me to search past my self-doubt to a place where my gifts and unique abilities lay dormant. His words then empowered me to bring them to the forefront of my journey to be exercised and developed. Listening and observing Wayne for the last two decades, I have learned that our gifts are by design, and a common function of our matured gifts is to help build self-awareness of the same in others."

-Valerie A. Scott, Author & Coach

## OF W.WAYNE HOLMES

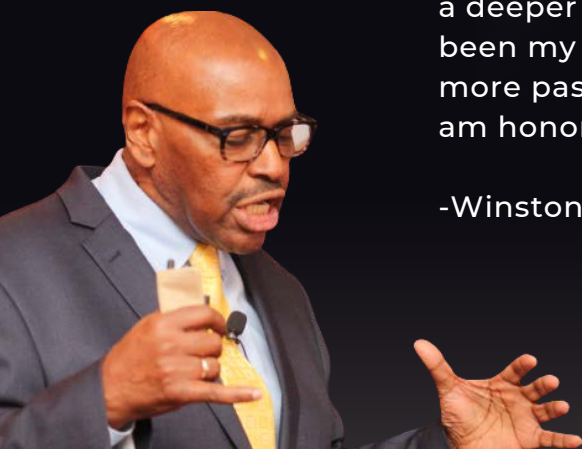

"I met Wayne Holmes 28 years ago, I was a promiscuous drug addict with a criminal past and had little hope. Although most did not understand me (including myself), Wayne Holmes did. He exemplified what a real man was. He empowered me with tools to be an overcomer, for years Wayne's personal coaching system of counseling, accountability, educational materials and spirituality has kept me productive, sober and free! Almost 20 years to be exact! I was most impacted by Wayne's ability to uniquely download a "reason for being" on this planet into my life that was much bigger than me. Today, I am a successful father, husband, speaker and best-selling author."

-Rodney B. Speaks

"I have known Wayne Holmes for over twenty years and have always found him to be faithful and dedicated in the kingdom of God. On more than one occasion he was invited to speak at our church. Wayne is passionate, dynamic, and an insightful speaker with the unique ability of unveiling the truths from God's word and making them relevant to the hearers. Please note, Wayne Holmes is not a surface preacher, - he is a man of depth. His preaching grips the attention of the listeners, while at the same time challenges and motivates them to a deeper and more meaningful relationship with God. It has always been my personal conviction that the church of Jesus Christ needs more pastors, teachers, and preachers like Wayne Holmes. I therefore, am honored to attach my name to this testimony on his behalf."

-Winston P. Pierre, Senior Pastor
