Learn About Canada:

Canadian Coins

Canadian money is called the “Canadian dollar” and it has both paper money and coins. While each province has specific coins, these six are the most common, with images of the Canadian natural wildlife, including the loon bird, which is called a “loonie.”

Instructions:

First read the name and value of each coin.
Then, find two ways you can use the other coins to get that same value.

	Name	Value
	Toonie	2 dollars
	Loonie	1 dollar
	Quarter	25 cents
	Dime	10 cents
	Nickel	5 cents
	Penny	1 cent

Coin	Find two ways to make it using the other coins
