Home Treasure Map

Let's create a treasure map of your home,
Tiny Travelers! Before you begin you will need
crayons or colored pencils, scissors, and a glue stick.

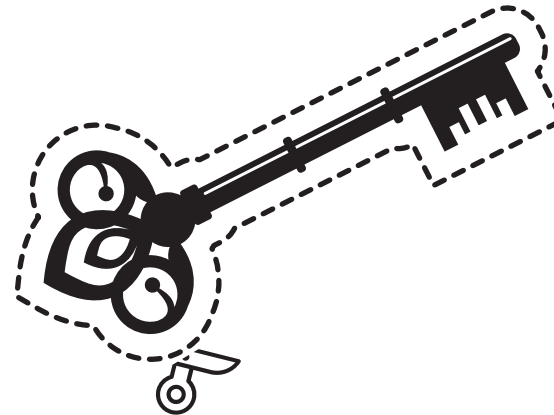

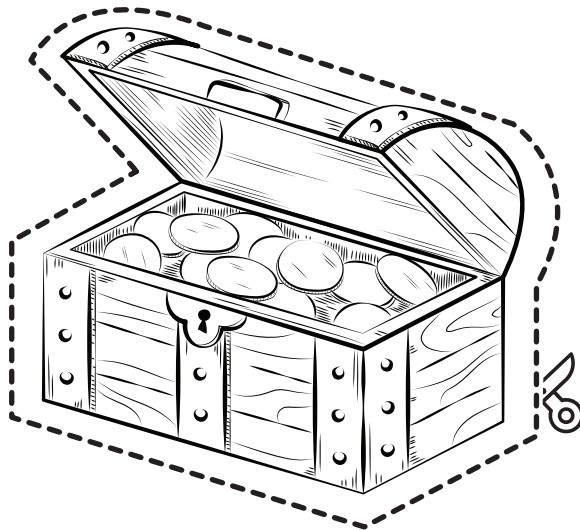

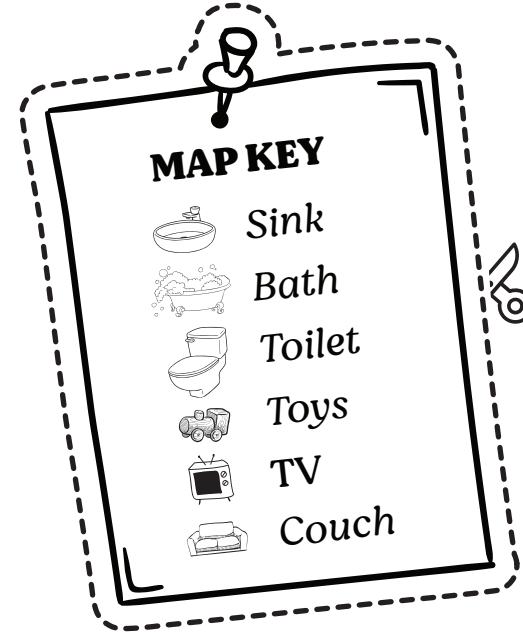

1. Start with drawing a map of your home. Check out the map examples for some inspiration!
2. Next, draw or cut out pictures and symbols to tell a story about the people who live in your home.
3. Then, add some of the “special symbols” to make your home map into a treasure map!
4. Add a map key with symbols, lines, special shapes, and colors to help readers make sense of the map.
5. You can also use some of the treasure chests or X's provided to mark the placement of your first treasure.
6. You can make this into a game and hide objects for a treasure hunt game with family members.
