

AI Deployment Milestone

ANNOUNCEMENT DATE: MONDAY, JANUARY 9TH 2023

For Immediate Release

Throne Dynamics (the “Company”), Community Division, and the Mirror Project are pleased and proud to announce successful fundraising and acquisition of baseline technology infrastructure for hosting of Centurion, the militant artificial intelligence platform of the Company.

Further detailed updates on this acceleration of the Company's advancement of justice will be released to members of the Executive Cadre and Project Rome.

In accordance with prior Company communications with respect to the Mirror Project, Centurion, information hazards, and global catastrophic risks, members of the public are encouraged to subscribe to Risk Division advisories.
