

**WORKING FOR A START-UP?
THIS GUIDE IS FOR YOU.**

**INK
PPT**

Knowledge and learning in this guide are real.

You may have read/heard them in past, but we have felt them.

WHAT IS A START UP?

**IT IS JUST A STATE OF BELIEF IN
YOUR VISION AND A PASSION TO
MAKE IT HAPPEN**

WHAT WILL TURN YOU OFF?

**YOU MIGHT
FAIL, FAIL
FAIL
AND FAIL AGAIN.**

ACTUALLY,
YOU WILL LEARN 4
WAYS THAT SHOULD
NOT BE FOLLOWED
FOR DOING THAT
TASK

**THERE
WILL BE
SLEEPLESS
NIGHTS**

**TO EXPERIENCE
THAT DIFFERENT
FEELING OF
ACCOMPLISHMENT
NEXT DAY,
YOU HAVE TO STAY
AWAKE**

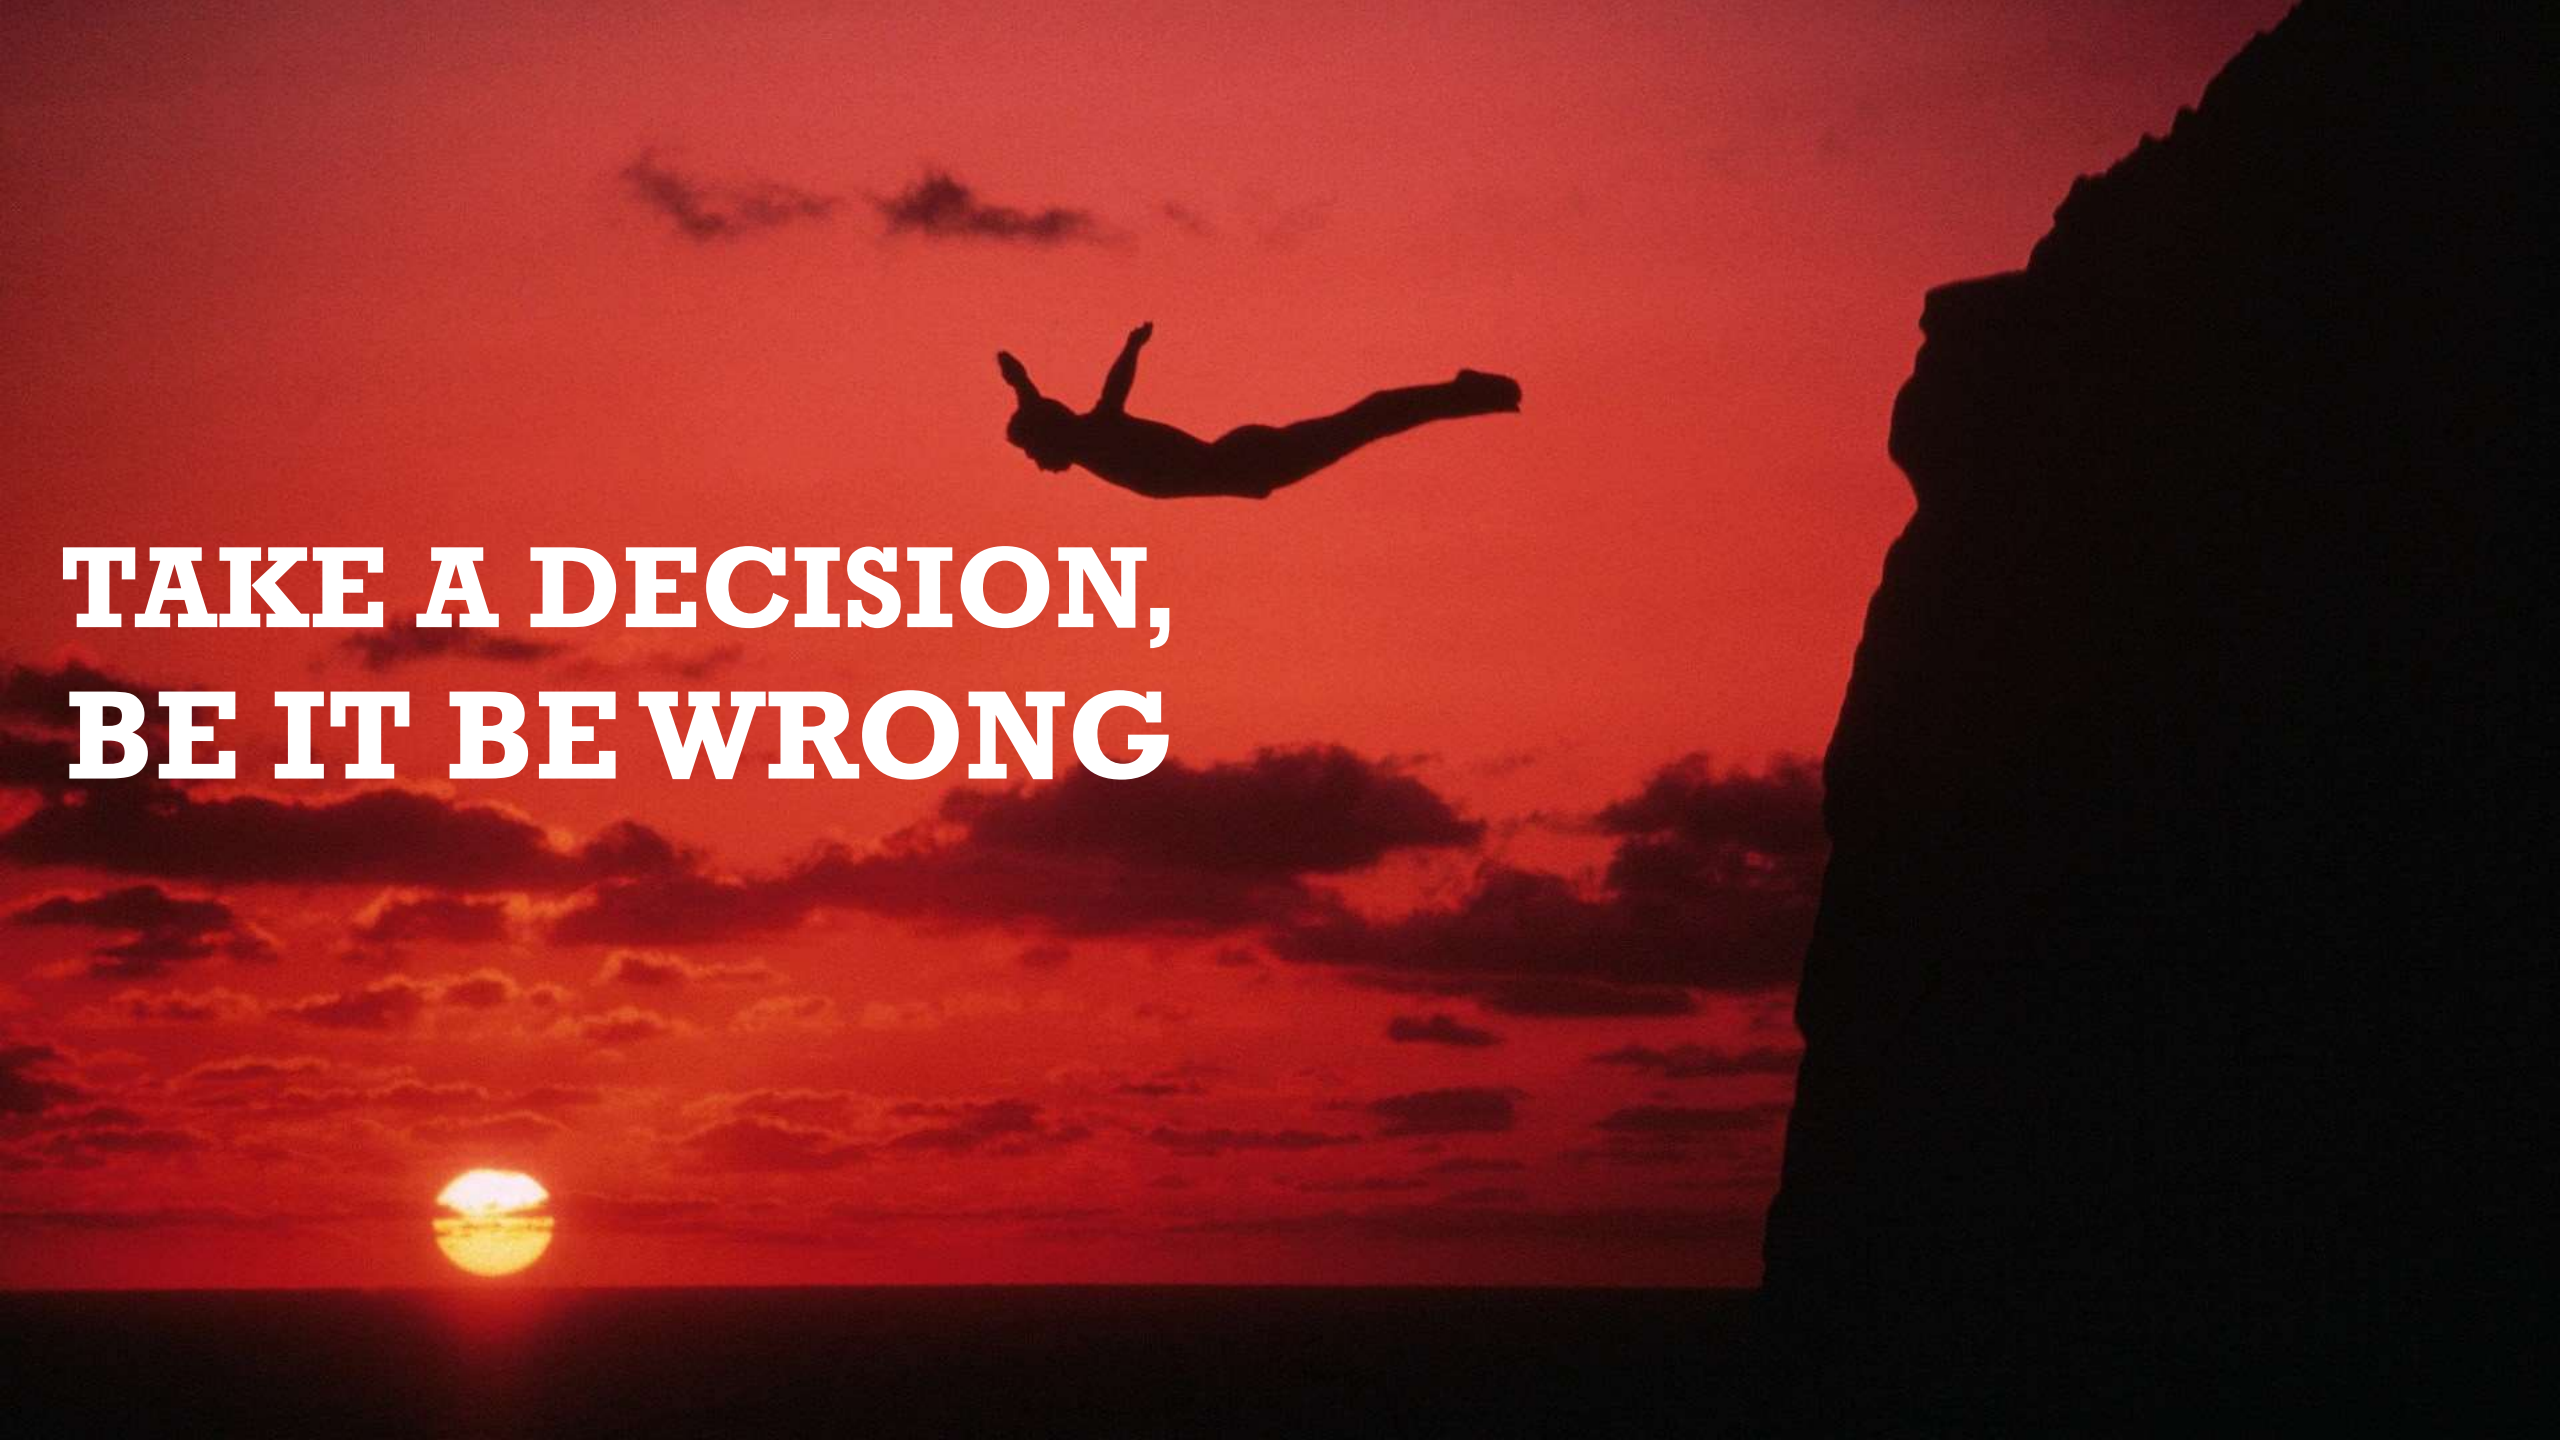

REMEMBER

**IF SOMETHING IS WORTH
TAKING RISK, DO IT**

**YOUR CONTRIBUTION HAS AN
IMPACT, YOU MAY NOT REALIZE IT**

**TAKE A DECISION,
BE IT BE WRONG**

A woman in a blue uniform and gloves is using a yellow floor buffer to clean a white office floor in a hallway. In the background, there is a blue cleaning cart with various supplies. The scene is brightly lit, and the floor is polished.

**EVERY WORK IS
EQUAL, ITS JUST
THE MIND SET
THAT DIFFERS**

**A visionary will clean
the office floor to have a
neat working area for his
employees**

**While a cleaner might
just enjoy watching his
boss doing so**

**DO NOT WORK FOR MONEY, EQUITY OR CERTIFICATES
WORK FOR THE INNER PEACE**

**PEOPLE SAY.
IN START-UPS, THINGS
CHANGE OVERNIGHT.**

**BUT ONLY THOSE
WHO WORK KNOWS
THE DURATION OF
THAT NIGHT**

**THANK
YOU**
