

Hello,

Welcome back to Wiard's Orchards! We are so glad you are joining us this season! Please note that there is a significant change to the way you will receive your schedule this year. We are utilizing a scheduling app called Sling. You will receive an email or text message with a link to sign up. You will need to create a password for your account. Then go into your Settings and adjust your preferences for notifications.

The schedule will be published no later than Wednesday by 11 pm before your weekend shift. You are responsible to check your schedule regularly, and to be sure there have been no changes before you come in.

If you have not already received an invitation, please reach out to Katie at 734-664-9376 to update your contact information and request a Sling link.

Please let me know if you have any questions navigating this new program. I would be happy to help! Looking forward to an amazing season!

Thank you,
Katie
