SILVER X FISCAL YEAR END CHANGE TO DECEMBER 31

Vancouver, B.C., September 3, 2021. SILVER X MINING CORP. (TSX-V: AGX) (OTC Pink: WRPSF) (“Silver X” or the “Company”) is pleased to announce it is changing its year-end to December 31 from February 28. The notice for the year-end change required under National Instrument 51-102 has been filed under the Company’s profile at www.sedar.com.

Silver X believes this change of year-end will better align the Company’s financial reporting periods to that of its peers and will allow investors to more easily compare quarterly and annual financial results.

As a result, Silver X will report, in April 2022, audited financial results for a transitional fiscal period for the ten months ended December 31, 2021 with comparative financial statements as at and for the year ended February 28, 2021. Thereafter, the Company will revert to a quarterly reporting calendar based on a December 31st fiscal year-end, with reporting periods ending on the last day of March, June, September, and December each year in 2022.

The first transitional quarter would be four months period ended September 30, 2021, which Silver X expects to report in November 2021.

ON BEHALF OF THE BOARD

José M García
CEO and Director
