

# FUNCTION ROOM HIRE

---

## T&C's

Thank you for choosing Shani's to hold your event. Outlined below are the terms and conditions to hire either part or the whole of our upstairs function area.

When hiring the upstairs area, you have the use of the bar, inside dining, outside deck and a dedicated staff member. We have a maximum capacity of 80 people within the upstairs area.

You are welcome to decorate the tables, or any part of your booked area provided there is nothing attached to the walls that may damage them.

You may supply your own cake for your function, otherwise we can supply one with a couple of options to choose from, with varying prices.

With the hire of the whole upstairs area, you are welcome to play your own music through our system using a normal headphone jack otherwise you can bring your own music system to use (if booking the whole space). If you need a microphone, we have one available on request.

After your arrival and everyone is seated at the tables only then will food orders be taken by the waitstaff. We do not allow groups to order food from the bar individually, so **please advise your guests to be seated for their orders to be taken from the table**. Guests are welcome to go to the bar to order their own beverages.  
NO BYO

## Partial Hire

To use half of the upstairs function area we require a minimum of 30 guests with a refundable deposit of \$100 to be paid at least one week prior to the event.

You are welcome to order off the regular menu or you are welcome to choose one of our available set menus.

With partial usage, the remaining side of the room will be used for other diners, and you will not have access to the sound system or microphone.

You are welcome to decorate your area. We ask your group to please be respectful of the fact that there may be other guests dining in the other area of the room.

# Full Hire

To hire the whole of the function room we require a minimum of 45 paying adults with children additional. When booking with one of our set menus, a deposit of \$200 will be required asap to secure your booking and prevent another function taking your date.

For large groups we recommend choosing a set menu. This will allow the kitchen to send food out as quickly as possible.

When using the full space, you are welcome to use our sound system, or to bring your own speakers.

## Deposit Terms

The deposit paid is refundable at the end of your event, or can be used to pay for food & drink.

Any costs resulting from unpaid food or drink by your guests will be deducted from the deposit.

If minimum number of guests have not arrived, then the remainder of the meals will be taken from the deposit as per set menu cost or at a minimum charge of \$40 per person.

When paying on one account the deposit will be removed from the amount owing with the remainder to be paid. A receipt will be printed and given showing full amount as well as deposit used for payment.
