

COOKIE POLICY

Cookies are small text files sent by website to your computer or mobile device that enable services and website features to function properly. Cookies make it easier for you to use our Site during future visits. They also allow us to monitor traffic and to personalize the content of our Site for you. Session-based cookies only last while your browser is open, and are automatically deleted when you close the browser. Persistent cookies last until you or your browser deletes them or until they expire.

Some of our cookies are **necessary** for certain uses of the Site. These cookies allow us to make our Site usable by enabling basic functions like page navigation and access to secure areas of the Site. The Site cannot function properly without these cookies.

We also use **functional** cookies and cookies from third parties for analysis and marketing purposes. Functional cookies enable certain parts of the Site to work properly and your user preferences to remain known. **Analysis cookies**, among other things, collect information on how visitors use our Site, the content and products that users view most frequently, and the effectiveness of our third party advertising. Cookies are either "session" cookies which are deleted when you end your browser session, or "persistent," which remain until their deletion by you (discussed below) or the party who served the cookie.

To find out more about cookies in general, visit [this site](#).

Products and Site use third-party cookies provided by our service providers: **Adjust, Facebook Analytics, Facebook Ads, Android SDK, iOS SDK**.

You can generally activate or later deactivate the use of cookies through a cookie panel or a functionality built into your web browser or mobile device.

For other browsers, please consult the documentation that your browser manufacturer provides.

You can opt out of interest-based targeting provided by participating ad servers through the Digital Advertising Alliance (<http://youradchoices.com>). In addition, on your iPhone, iPad or Android device, you can change your device's privacy settings to control whether you see online interest-based ads:

iOS device: Go to your Settings > Select Privacy > Select Advertising > Enable the "Limit Ad Tracking" setting

More information about the iOS setting can be found [here](#).

Android device: Open your Google Settings app > Ads > Enable "Opt out of interest-based advertising"

In order to comply with the legislation, we have reviewed the use of cookies on our Site and set out the information below. This is to ensure that you are aware of these cookies and are able to give your informed consent (if necessary) for the placing of some or all of these cookies on your device when you use our Site.
