

# Shoulder Academy

*Subscribe. Learn and Thrive*

Are **shoulders** your **pain point?**

Join Dr Angela Cadogan with our community of learners and become more confident in assessing and managing shoulder conditions.

This is a supportive community for physiotherapists of all levels, including new graduates, to learn from each other, share resources, get help with patient cases, and access the latest evidence and CPD in the diagnosis and management of shoulder conditions. All for the price of just two coffees per month!

## Membership Benefits

### Access to Shoulder Webinars

Gain full access to all of our live and recorded shoulder webinars.

### Priority Booking

Advanced notification and priority booking for ALL Physio Academy in-person courses or 'limited number' events.

### Exclusive Q&A's

Exclusive Live Q&A's with Dr Angela Cadogan and guests, exclusive to Academy members only. Bring your questions and cases for discussion.

### Private Online Community

This private online community provides access to the latest research and learning resources, where you can discuss case studies and interact with other physio with shared interests.

### Great Discounts & Special Offers

50% discount off all online shoulder courses. 15% off in-person shoulder courses\* (conditions may apply). Plus other special offers from time to time.

## Membership Options

We have a Monthly membership option for \$10 per month and you can opt out at any time. Or save \$20 with our Annual membership option for \$100 per year.

\$10 month *or* \$100 year\* = **\*Two Months FREE**

**\*Prices valid until December 2023.**
