I'm a visual designer focused on creating meaningful experiences through design.

Experience

Conestoga College /
Graphic Designer & Digital Media Assistant
MAY 2020 - SEPT 2021 / WATERLOO, ON

Working for the Student Affairs department, I handled graphic requests initiated by various sub-departments. I was responsible for creating intriguing and professional content for students via digital and social platforms. Additionally, I played a fundamental role in the development of certain department brands.

Conestoga College /
Marketing & Digital Assistant
APRIL 2019 - SEPT 2019 / WATERLOO, ON

During the summer intercession of 2019, I fulfilled the role of a graphic designer to carry out the 2019-2020 academic year marketing and promotional materials for the ONE Card and Bookstore departments. I created a large variety of digital and print materials, videos, wayfinding and motion graphics.

Marshall Photography /
Owner & Lead Photographer
JAN 2017 - PRESENT / ON

As the owner and lead photographer of Marshall Photography, I lead sessions to photograph clients in a variety of environments, specializing in hybrid wedding and portraiture photography. I also handled all branding, marketing and web design responsibilities.

Education
