Lion's View in Camps Bay

CA-CB059

The affluent Camp's Bay area in Cape Town offers Lions View, a 5-star graded, self-catering villa with a panoramic view of the Atlantic Ocean.

Lions View Penthouse has two large double bedrooms, two magnificent bathrooms, a lounge, and a fully equipped open-plan kitchen, complete with its own private entrance. The roof is designed in a way that accentuates the magnificent views from the mountain. The balcony with its solar heated plunge pool offers panoramic views and relaxing sound as well as a great spot to relax while bathing in the sun.

The ground level of Lions View Main House includes five double en-suite bedrooms, a large living room, a dining room, and a huge, open-plan kitchen. To get to the entrance, walk across the footbridge that spans the Japanese koi pond. There's a sense of refinement throughout the house thanks to the furniture and fixtures, many of which were created by acclaimed designers like Philippe Starck. A view of the pool and beach can be seen from the master bedroom, which includes a raised spa bath and an attached elevated shower and bathroom behind the bed. Lions Head is home to a private infinity-edged swimming pool located on a massive terrace surrounded by beautifully groomed gardens.

For those who want it, you may make a more large villa, which can accommodate up to 14 people. You can do this by combining the Main House and Penthouse. For smaller parties, book out the 2-bedroom penthouse that comes with exclusive rooftop access.
