

NATIONAL SIXTIES SCOOP HEALING FOUNDATION

Call for Nominations

Board of Directors

National Sixties Scoop Healing Foundation

The National Sixties Scoop Healing Foundation is an independent organization, established with an initial fund of \$50 million from the National Sixties Scoop Settlement. We work together as a survivor-led team of volunteers on a series of recommendations to accompany Survivors on their journey to healing.

The National Sixties Scoop Healing Foundation is currently seeking nominations from its community members to fill three positions for the Board of 10 Directors. The SSHF strives to be representative to all members within Canada. SSHF is seeking members who reflect the diversity of the survivors within Canada. We welcome Board Members with a diverse background.

Potential Members must meet the following requirements

- An understanding of the history and issues faced by the Sixties Scoop Survivor community
- One year of not-for-profit board experience
- Proficiency in English
- Must be a survivor of the Sixties Scoop
- Join one committee
- Must be willing to volunteer up to 10 hours per month
- Attend monthly Board and committee meetings

Please forward your resume to
