**Isahit Help: program of support for HITers active at isahit*

OVERALL IMPACT OF YOUR PROJECT

Our HITers talk about it!

Miangaly
Madagascar

"With isahit, I was able to finance my studies from undergraduate to my master's degree at ESMIA, in management and applied computer science."

Jacky
Cameroun

"Isahit has helped me recover my self-confidence, to believe in what I am doing. I'll be able to pursue my nursing degree."

**MORE ABOUT
ISAHIT**

ISAHIT, BETWEEN TECHNOLOGY AND HUMAN

Through its digital platform, isahit enables its customers to optimize their profitability and quality control of their time-consuming and repetitive digital tasks thanks to its workforce, the HITers.

A transparent business model

Breakdown of our turnover in our global activity

Our mission

Empowering women to be part of the digital revolution through work on our platform and education, via our Isahit Digital Academy program.
