Welcome To LTS Online
Follow the directions below to register and enter your first class!
*Please review and complete at least 30 minutes before your first class*

Before your first class you will receive an e-mail from Instructure Canvas.

For your first class you must create a new account.
Your login will be your email address, create your own password, select your time zone, agree to the Acceptable Use Policy and Click Register. This will be the login and password to log into any future online classes as well.

After you are registered, you will enter Canvas into your class, if you are registered to multiple online course, all classes will appear in your Dashboard.

Follow the instructions on the Student Orientation to unlock the rest of the course and connect to the Zoom classroom

Enjoy your class!
