Apprentices can also be terminated for failing to adhere to Zero Tolerance related regulations described in the code of safe practices. These items are described in the uniform administrative procedures during boot camp, at the voice class, during indenture proceedings and at every class presentation. They include but are not limited to having a weapon, threatening behavior, possession of drugs, theft, vandalism and failure to comply with Supervision.

Coordinators will make recommendations and subcommittee representatives will motion second and approve all actions regarding yellow cards and terminations.
